4. MAINTENANCE AND CARE

- **Battery Storage:** Store batteries in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cleaning:** Clean the battery and charger with a soft, dry cloth. Do not use liquids or abrasive cleaners.
- **Intelligent Charging:** The intelligent charging system helps prolong battery life by preventing overcharging and deep discharge.
- **Refresh Mode:** If a battery is deeply discharged, the charger's Refresh mode can attempt to reactivate it.
- **Protection:** The battery features a robust housing with soft-grip surfaces for high shock protection and secure handling.
