PETKIT P510

PETKIT P510 Smart Pet Bowl User Manual

Model: P510

1. INTRODUCTION AND OVERVIEW

The PETKIT P510 Smart Pet Bowl is an innovative feeding solution designed for small to medium-sized dogs and cats. It features an integrated digital scale for precise food portioning, helping pet owners manage their pet's diet effectively. Constructed with BioCleanAct antibacterial material, the bowl promotes a healthier eating environment. This manual provides essential information for setting up, operating, and maintaining your PETKIT P510 Smart Pet Bowl.

2. PRODUCT FEATURES

- **Integrated Digital Scale:** Accurately measures food weight for precise portion control.
- **BioCleanAct Antibacterial Material:** Inhibits bacterial growth, promoting a hygienic feeding environment.
- **Smartphone Application Connectivity:** Allows for tracking and management of feeding data (requires PETKIT app).
- **Durable Design:** Suitable for daily use by small to medium-sized pets.
- **Easy to Clean:** Simple design facilitates effortless cleaning.

3. SETUP INSTRUCTIONS

3.1 Package Contents

Ensure all items are present:

- PETKIT P510 Smart Pet Bowl
- User Manual (this document)

3.2 Battery Installation

1. Turn the bowl upside down to locate the battery compartment.
2. Open the battery compartment cover.
3. Insert two (2) AAA batteries, ensuring correct polarity (+/-).
4. Close the battery compartment cover securely.

3.3 Initial Placement

Place the bowl on a flat, stable surface to ensure accurate weight readings from the integrated scale.

4. OPERATING INSTRUCTIONS

4.1 Powering On/Off

The bowl's scale automatically activates when weight is detected and powers off after a period of inactivity to conserve battery.

4.2 Using the Integrated Scale

1. Ensure the bowl is empty and placed on a flat surface.
2. The digital display will show '0' or '0.0' when ready.
3. Slowly add pet food to the bowl. The display will show the weight in grams (g) or pounds (lb).
4. To change units (if available), press the unit button usually located near the display.

4.3 Smartphone Application (Optional)

For advanced tracking and dietary management, download the PETKIT application from your device's app store. Follow the in-app instructions to pair your PETKIT P510 Smart Pet Bowl and utilize features such as feeding history and recommended portions.

5. MAINTENANCE

5.1 Cleaning the Bowl

- Remove any remaining food.
- The bowl can be hand-washed with mild soap and water.
- Do not submerge the base of the bowl (where the electronics and battery compartment are located) in water.
- Wipe the exterior of the base with a damp cloth.
- Ensure all parts are completely dry before reassembling or adding food.

5.2 Battery Replacement

Replace batteries when the display becomes dim or the scale provides inconsistent readings. Refer to Section 3.2 for battery installation instructions.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Scale not turning on/display is blank.	Low or dead batteries; incorrect battery installation.	Replace batteries with new AAA batteries, ensuring correct polarity.
Inaccurate weight readings.	Bowl not on a flat, stable surface; foreign objects under the bowl; bowl is dirty.	Ensure bowl is on a flat surface. Check for and remove any debris. Clean the bowl thoroughly.
Cannot connect to smartphone app.	Bluetooth is off; app not updated; bowl not in pairing mode.	Ensure Bluetooth is enabled on your device. Update the PETKIT app. Follow in-app pairing instructions.

7. SPECIFICATIONS

Feature	Detail
Model Number	P510
Dimensions (L x W x H)	25.4 x 5.08 x 6.86 cm (10 x 2 x 2.7 inches)
Weight	470 grams (1.04 lbs)
Capacity	450 Milliliters
