## **Dimplex Revillusion Electric Fireplace Log Insert - 25 Inch (Model RLG25) Instruction Manual**

Brand: DIMPLEX | Model: RLG25

### **PRODUCT OVERVIEW**

The Dimplex Revillusion 25-Inch Electric Fireplace Log Insert is designed to transform an existing fireplace into an aesthetic focal point. It features realistic flame effects and provides supplemental zone heating. This unit includes a log set, a glowing ash mat, and a remote control for convenient operation.

## IMPORTANT SAFETY INFORMATION

**WARNING:** This product can expose you to chemicals including carbon black, which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Always read and follow all instructions before using this appliance to prevent fire, electric shock, or injury. Keep combustible materials, such as furniture, pillows, bedding, papers, clothes, and curtains at least 3 feet (0.9 m) from the front of the heater. Do not insert or allow foreign objects to enter any ventilation or exhaust opening as this may cause an electric shock or fire, or damage the heater.

## PACKAGE CONTENTS

- Electric Fireplace Log Insert
- Glowing Ash Mat
- Remote Control

## SETUP

- 1. Placement:** Position the log insert within your existing fireplace opening. Ensure adequate clearance from combustible materials as specified in the safety guidelines.
- 2. Power Connection:** Plug the log set into any standard 120-volt household outlet.
- 3. Ash Mat Placement:** Place the glowing ash mat in front of the log set for enhanced ember effects.

## OPERATING INSTRUCTIONS

### Remote Control Functions

The included multi-function remote control allows adjustment of flame and heat settings from a distance.

- **Power Button:** Turns the unit on or off.
- **Flame Settings:** Adjusts the brightness and color themes of the Revillusion flames.
- **Heat Settings:** Activates or deactivates the fan-forced ceramic heater and adjusts heat output.
- **Timer:** Sets an operating duration for the unit.

### On-Unit Controls

Manual controls are also available directly on the log insert for basic functions.

### **Flame Technology**

The unit utilizes Realogs Plus technology, where faux logs glow with authentic realism. The Mirage Flame Panel enhances the flame display, creating a larger, brighter, and more realistic effect.

## Heating Function

The fan-forced ceramic heater provides up to 1500 Watts of power, offering supplemental infrared zone heating for areas up to 1,000 sq ft. The heating function can be operated independently of the flame effect.

## MAINTENANCE

To ensure optimal performance and longevity of your Dimplex Revillusion Electric Fireplace Log Insert, regular maintenance is recommended. Keep the unit clean and free from dust. Refer to the detailed cleaning instructions in the full product manual for specific guidance on cleaning the logs, glass, and air vents. Ensure the unit is unplugged before performing any maintenance.

## TROUBLESHOOTING

If you experience any issues with your electric fireplace log insert, consult the troubleshooting section of the complete product manual. Common issues may include power problems, non-functioning flames, or

inadequate heat output. For persistent problems, contact customer support.
