Kohler PureWash E590 Elongated Heated Bidet Toilet Seat User Manual

Model: 8298-0

INTRODUCTION

This manual provides essential information for the installation, operation, and maintenance of your Kohler PureWash E590 Elongated Heated Bidet Toilet Seat. Designed for enhanced personal hygiene, this electric bidet toilet seat offers a range of features including warm water cleansing, a heated seat, and a self-cleaning wand. Please read this manual thoroughly before installation and use to ensure proper function and safety.

SAFETY INFORMATION

Always adhere to local plumbing and electrical codes during installation. This product requires a GFCI electrical outlet. Disconnect power before performing any maintenance or cleaning. For detailed safety warnings and instructions, refer to the complete Installation Manual.

PACKAGE CONTENTS

- Kohler PureWash E590 Elongated Heated Bidet Toilet Seat
- Installation hardware (included with toilet seat)
- User Manual (this document)
- Installation Manual (PDF available online)

SETUP AND INSTALLATION

The Kohler PureWash E590 is designed for easy installation on most elongated toilets. A GFCI electrical outlet is required near the toilet for operation. For comprehensive step-by-step instructions, please refer to the official Installation Manual.

Important: Ensure your toilet is an elongated model for proper fit. The bidet seat features a slim, low-profile design that blends seamlessly with compatible toilets.

Key Features:

- **Heated Seat:** Enjoy comfort with five adjustable temperature settings.
- **Warm Water Cleansing:** Adjustable water temperature and pressure for front and rear wash modes. Choose between oscillating or pulsating spray.
- **Warm-Air Drying:** A built-in drying system with adjustable temperature settings to reduce the need for toilet paper.
- **Automatic Deodorization:** Features a carbon filter to neutralize odors.
- **Self-Cleaning Wand:** The stainless steel wand automatically cleans itself using UV light after every use, ensuring hygiene.
- **Nightlight:** LED lighting illuminates the bowl, providing convenience during nighttime use.
- **Quiet-Close Lid:** The lid closes slowly and quietly, preventing slamming.
- **Quick Release Feature:** Allows for easy removal of the seat for thorough cleaning.

Easy Installation, Major Upgrade.

Requires GFCI Electrical Outlet.

MAINTENANCE

Regular cleaning will ensure the longevity and hygiene of your bidet seat. The self-cleaning wand simplifies daily maintenance. Periodically, clean the exterior surfaces with a soft, damp cloth and mild cleaner. Avoid abrasive cleaners or harsh chemicals. The deodorizer's carbon filter may require occasional cleaning or replacement as per the full manual.

Utilize the Quick Release feature to easily detach the seat for thorough cleaning of the toilet bowl and seat area.

TROUBLESHOOTING

Should you encounter any issues with your Kohler PureWash E590, please refer to the troubleshooting section in the complete Installation Manual for common problems and solutions. If the issue persists, contact Kohler customer support.
