2. PRODUCT FEATURES

- **Sliding Basket Design:** Provides easy access to items, especially in confined spaces.
- **Stackable:** Designed to be stacked with additional units (compatible with CB-01, CB-02, CB-07, and CB-08 series) to maximize vertical storage.
- **No Tools Required:** Simple assembly without the need for drills or power tools.
- **Versatile Storage:** Features two drawers and a top surface for organizing various items.
- **Multi-room Use:** Ideal for kitchens, bathrooms, pantries, and storage rooms.
- **Durable Construction:** Made from metal for lasting use.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Organizer Frame (Metal)
- Sliding Baskets (2 units)
- Top Shelf (1 unit)

- Assembly Hardware (Screws, if applicable, for securing top shelf)

4. ASSEMBLY INSTRUCTIONS

Assembly is straightforward and requires no special tools. Follow these steps:

1. Unpack all components and lay them out on a clean, flat surface.
2. Assemble the main frame by connecting the vertical supports to the horizontal bars. Ensure all connections are secure.
3. Slide the two baskets into their designated slots on the frame. The baskets should slide smoothly.
4. Place the top shelf onto the upper part of the frame. Secure it using the provided screws, if any, to ensure stability.

5. USAGE INSTRUCTIONS

Once assembled, your organizer is ready for use. Place it in your desired location, such as under a sink, in a cabinet, or on a countertop.

- **Loading Baskets:** Place items into the sliding baskets. The sliding mechanism allows for easy

retrieval of contents, even those at the back.

- **Top Surface:** Utilize the top surface for additional storage of frequently used items or larger objects.
- **Stacking (Optional):** If you have multiple compatible units, they can be stacked vertically to create a multi-tier storage solution. Align the feet of the upper unit with the top surface of the lower unit for secure stacking.

6. MAINTENANCE

To ensure the longevity and appearance of your organizer, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the metal surfaces and baskets with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Dry thoroughly to prevent water spots or rust.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can damage the finish.
- **Regular Checks:** Periodically check all connections to ensure they remain tight and secure.

7. TROUBLESHOOTING

If you encounter any issues with your organizer, consider the following:

- **Baskets Not Sliding Smoothly:** Ensure the baskets are correctly aligned within the frame. Check for any obstructions or debris in the sliding tracks.
- **Instability:** Verify that all assembly points are securely fastened. Ensure the organizer is placed on a flat, stable surface.
- **Missing Parts:** If any parts are missing upon arrival, please contact Simple Houseware customer support.
