

Jaybird X3

JayBird X3 Sport Bluetooth Headset Instruction Manual

Model: X3

INTRODUCTION

The JayBird X3 Wireless Headphones are designed for active lifestyles, offering functionality, comfort, and sound quality in a compact form factor. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your X3 headset.

SETUP

1. Finding the Right Fit

Achieving a secure and comfortable fit is crucial for optimal sound and stability. The X3 comes with various customized fit options, including patented silicone ear fins (S, M, L) and Comply memory foam ear tips. Experiment with different sizes and styles to find the best fit for your ears. The ear fins are designed to securely attach to the top and back/lower surface areas of the ear, locking the earbuds in during workouts and intense physical activities. Comply memory foam tips provide maximum noise isolation and comfort.

2. Pairing Your X3 Buds

The X3 buds connect to your devices via Bluetooth. To pair, ensure your device's Bluetooth is enabled and follow the pairing instructions specific to your device. The Multipoint function allows simultaneous pairing and connection to two different Bluetooth devices, such as a laptop for music and a phone for calls.

1. Personalized Sound with MySound App

Customize your audio experience using the MySound App (compatible with iOS 9+ and Android 4.4+). This app allows you to tweak and customize every aspect of your sound, from lows to highs. Your customized presets save directly onto the X3 buds, carrying them over to any music device or streaming service/app you use.

2. Controls

The X3 features button controls for managing music playback, volume, and calls. Refer to the quick start guide included in your package for detailed button functions.

CHARGING & BATTERY LIFE

The X3 headphones offer an 8-hour battery life. A quick 15-minute charge provides a full hour of playtime, ensuring you're always ready. Charging is done via the included charge clip and USB 2.0 charging cable.

MAINTENANCE

The X3 Headphones are built to last with a sleek yet rugged design. They feature a hydrophobic nano-coating, making them sweatproof and resistant to rain and snow. This protection ensures your earbuds remain functional in various weather conditions and during intense workouts. To clean, gently wipe the earbuds and tips with a damp cloth. Ensure they are completely dry before charging or storing.

SPECIFICATIONS

- **Noise Control:** Sound Isolation
- **Frequency Response:** 20 Hz
- **Sensitivity:** 103 dB
- **Connectivity Technology:** Bluetooth
- **Wireless Communication Technology:** Bluetooth
- **Age Range (Description):** Adult
