KEY FEATURES

- **PrecisionGlide System:** Features MagnaTrac self-aligning 360-degree dual spinner wheels, a 4-stop PowerScope extension handle, and a Contour Grip with rubberized touch points for smooth maneuverability.
- **Integrated USB Port:** External USB-A and USB-C ports with a dedicated power bank pocket (power bank not included) for convenient charging on the go.
- **DuraGuard Coating:** High-density nylon fabric with a DuraGuard coating for resistance against wear, stains, and water.
- **Expandable Capacity:** Tapered 2-inch expansion capability provides additional packing space while maintaining stability.
- **Interior Organization:** Includes a deluxe tie-down system with compression straps, integrated accessory pockets, a drop-in fold-out suiter, and a removable quart-size wet pocket.

SETUP AND FIRST USE

Unpacking

Remove all packaging materials and protective coverings from the luggage. Inspect the suitcase for any signs of damage incurred during shipping.

Extending the PowerScope Handle

1. Locate the button on the top of the Contour Grip handle.
2. Press and hold the button while pulling the handle upwards to extend it.
3. Release the button at one of the four desired height stops.

**SUPRA™ ZIPPER
HEADS RESISTS DAMAGE
FROM DAILY USE**

**POWER BANK
DEDICATED POCKET**

**WATER AND STAIN
RESISTANT DURAGUARD®
COATING**

Using the USB Charging Port

1. Open the dedicated power bank pocket located inside the luggage.
2. Place your personal power bank (not included) into the pocket.
3. Connect your power bank to the internal USB cable.
4. To charge your device, plug your device's charging cable into the external USB-A or USB-C port on the side of the suitcase.

Expanding the Luggage

To increase packing capacity by up to 2 inches, locate and unzip the expansion zipper running along the perimeter of the main compartment.

PACKING INSTRUCTIONS

The interior of your Travelpro Platinum Elite suitcase is designed for efficient and organized packing.

Deluxe Tie-Down System

Use the adjustable compression straps with integrated accessory pockets to secure your packed items and minimize shifting during transit.

Drop-In Fold-Out Suiter

For wrinkle-free packing of suits or dresses, utilize the removable suiter. Hang garments on a hanger within the suiter, fold it, and secure it inside the main compartment.

Removable Quart-Size Wet Pocket

Store toiletries or damp items in the removable, TSA-compliant wet pocket to keep them separate from dry clothing.

MOBILITY AND HANDLING

The luggage is engineered for effortless movement and comfortable carrying.

PrecisionGlide System

The eight MagnaTrac self-aligning spinner wheels provide 360-degree rotation, allowing the suitcase to glide smoothly in any direction. The PowerScope extension handle with patented Contour Grip reduces strain during transport.

Carry Handles

Utilize the padded top, side, and bottom carry handles for easy lifting and placement in overhead bins or vehicle trunks.

CARE AND MAINTENANCE

Cleaning

Wipe the exterior fabric with a damp cloth and mild soap. For stubborn stains, use a soft brush. Do not use harsh chemicals or abrasive cleaners, as these may damage the DuraGuard coating.

Zipper Care

Periodically clean zippers with a soft brush to remove any debris. Lubricate with a silicone-based spray if zippers become stiff.

Wheel Maintenance

Regularly check wheels for debris such as hair or string. Remove any obstructions to ensure smooth rolling. If wheels become damaged, refer to the warranty information for repair options.

SPECIFICATIONS

Attribute	Value
Overall Dimensions (incl. wheels & handles)	23.5" x 14.5" x 9"
Case Dimensions	21" x 14" x 9"
