

SHOTS SHT383BLK

SHOTS Toys Plug with Handle Medium Black Instruction Manual

Model: SHT383BLK | Brand: SHOTS

INTRODUCTION

This manual provides essential information for the safe and effective use of your SHOTS Toys Plug with Handle Medium Black. This product is designed for anal stimulation, featuring a tapered tip for easy insertion and a curved design for enhanced sensation. It is crafted from soft, phthalate-free, and odorless silicone, ensuring a safe and comfortable experience.

SAFETY INFORMATION

- Always inspect the product for any damage before each use. Discontinue use if any damage is observed.
- Clean the product thoroughly before and after each use as described in the Maintenance section.
- Use a water-based lubricant with this product. Oil-based lubricants can damage silicone materials.
- This product is made from 100% silicone, which is phthalate-free and odorless for user safety.
- If you experience any discomfort or pain during use, stop immediately.
- Store the product in a clean, dry place, away from direct sunlight and extreme temperatures.

PACKAGE CONTENTS

- 1 x SHOTS Toys Plug with Handle Medium Black

SETUP

1. Remove the product from its packaging.
2. Wash the product thoroughly with warm water and a mild, toy-safe soap. Rinse completely to remove all soap residue.
3. Dry the product completely with a lint-free cloth or allow it to air dry.

OPERATING INSTRUCTIONS

1. Ensure the product is clean and dry before use.
2. Apply a generous amount of water-based lubricant to the insertable portion of the plug and to the area of application.
3. Gently insert the tapered tip of the plug. The handle provides a secure grip for controlled insertion and removal.
4. Adjust the depth and position as desired for comfort and sensation.
5. To remove, gently pull the handle until the plug is fully withdrawn.

MAINTENANCE AND CARE

- **Cleaning:** After each use, wash the product thoroughly with warm water and a mild, toy-safe soap. Ensure all lubricant and residue are removed. Rinse completely.
- **Drying:** Pat dry with a clean, lint-free cloth or allow to air dry completely before storage.
- **Storage:** Store the product in a clean, dry, and dust-free environment. Keep it separate from other toys made of different materials to prevent material degradation or discoloration. Avoid direct sunlight and extreme temperatures.
- **Lubricant Compatibility:** Only use water-based lubricants with this silicone product. Avoid oil-

based lubricants, as they can damage the silicone material over time.

TROUBLESHOOTING

- **Difficulty with Insertion:** Ensure sufficient water-based lubricant is applied to both the product and the area of application. Relax and take your time.
- **Discomfort During Use:** If you experience any pain or significant discomfort, remove the product immediately. Re-evaluate lubricant use or consider if the product size is appropriate for your comfort level.
- **Product Feels Sticky After Cleaning:** This can sometimes happen with silicone if not rinsed thoroughly. Re-wash with soap and warm water, ensuring a complete rinse.
