Travelpro Platinum Elite 25-Inch Checked Spinner Luggage Instruction Manual

Model: 409186501

INTRODUCTION

The Travelpro Platinum Elite 25-Inch Expandable Spinner is designed for medium to long trips, offering durability, functionality, and organized packing. This luggage features premium fabrics, leather accents, chrome zippers, and a tip-resistant tapered expansion for additional capacity. It is equipped with a Precision Glide System for effortless mobility and an integrated TSA-compliant lock for security.

SETUP

Setting the TSA Combination Lock

Your luggage comes with an integrated TSA-compliant combination lock. The default code is 0-0-0.

1. Locate the lock on the side of your luggage.
2. Set the dials to the default code 0-0-0.
3. Use a pen or a pointed object to press the small reset button (A) until you hear a click.
4. While the reset button is pressed, set your desired 3-digit combination by turning the dials (B).
5. Release the reset button (A). Your new combination is now set.
6. To lock, insert the zipper pullers into the lock slots and scramble the dials. To unlock, set the dials to your personal combination and press the release button.

OPERATING INSTRUCTIONS

Precision Glide System

The luggage features a Precision Glide System for smooth and controlled movement.

- **PowerScope Extension Handle:** The adjustable 4-stop PowerScope extension handle is designed for minimal wobble and adjusts to multiple heights for comfortable maneuvering. It features a patented Contour Grip with cushioned touch points to relieve stress on your hand.
- **MagnaTrac Self-Aligning Wheels:** Eight 360-degree spinner wheels with magnetic self-alignment ensure precise control and effortless rolling in any direction.

Packing Features

- **Tapered Expansion:** The luggage offers a tapered expansion option that provides up to 2 inches of additional packing capacity when needed. This design helps reduce tipping.
- **Built-in Suiter:** A built-in fold-out suiter helps keep clothes wrinkle-free during travel.
- **Deluxe Tie-Down System:** The interior features a deluxe tie-down system with integrated accessory pockets to secure contents and keep them organized.
- **Removable Wet Pocket:** A removable, TSA-compliant wet pocket is included for storing toiletries or damp items.

MAINTENANCE

Cleaning and Care

- **Exterior Fabric:** The high-density nylon fabric with DuraGuard coating is designed to resist stains and abrasions. For general cleaning, wipe with a damp cloth and mild soap. Avoid harsh chemicals.
- **Zippers:** Keep zippers free of debris. If a zipper becomes stiff, apply a small amount of zipper lubricant or wax.
- **Wheels:** Periodically check wheels for any trapped debris and clean as needed to ensure smooth rolling.
- **Handles:** Extend and retract the PowerScope handle occasionally to ensure smooth operation.

Figure 5: DuraGuard Fabric and Supra Zippers. This image shows the water and stain-resistant fabric and durable zipper heads.

TROUBLESHOOTING

- **Wheels not rolling smoothly:** Check for debris (hair, lint) caught in the wheel axles. Clean thoroughly. If the issue persists, contact customer support.
- **Extension handle sticking:** Ensure the release button is fully pressed when extending or retracting. Avoid forcing the handle. If it remains stiff, a small amount of silicone spray can be applied to the telescoping rods.
- **Zipper issues:** If a zipper is difficult to move, check for fabric caught in the teeth. Use a pencil lead or zipper lubricant to ease movement. For broken zippers, refer to the warranty section.
- **USB-C port not working:** Some users have reported issues with the USB-C port not functioning. Ensure your power bank and cable are compatible and fully inserted. If the USB-A port works but USB-C does not, this may indicate a specific component issue. Contact customer support for further assistance.

SPECIFICATIONS

Feature	Detail
Model Number	409186501
Overall Dimensions (incl. wheels & handles)	28"L x 18.5"W x 11.75"H
Case Dimensions	25"L x 18"W x 11.25"H
