

FDW Zero Gravity Chair Patio

FDW Zero Gravity Chairs Instruction Manual

Brand: FDW | Model: Zero Gravity Chair Patio

INTRODUCTION

Thank you for choosing FDW Zero Gravity Chairs. This manual provides essential information for the safe and effective use of your new chairs. Designed for ultimate comfort and relaxation, these chairs feature a sturdy frame and durable Textilene fabric, perfect for various outdoor and indoor environments. Please read these instructions carefully before use and retain them for future reference.

KEY FEATURES

- **Strong Frame:** Sturdy steel tubular frame supports up to 250 lbs.
- **Comfortable and Adjustable:** Features a comfortable reclining position and an easy-to-adjust headrest.
- **Secure Locking Mechanism:** Simple-to-use locking mechanism to secure your desired recline angle.
- **Durable Fabric:** Made from high-quality Textilene fabric, resistant to tear and offering good bearing capacity.
- **Easy Storage:** Designed to fold compactly for convenient storage.
- **No Assembly Required:** Chairs come fully assembled and folded, ready for immediate use.
- **Detachable Tray:** Includes a detachable tray with cup holders and slots for small items.

SETUP INSTRUCTIONS

Your FDW Zero Gravity Chairs arrive fully assembled and folded. Follow these steps to set up your chair:

1. Carefully remove the chair from its packaging.
2. Place the folded chair on a flat, stable surface.
3. Gently pull the armrests apart to unfold the chair until it is fully extended. Ensure all legs are firmly on the ground.
4. Attach the detachable tray by sliding its clips onto the designated slots on the side of the chair's frame.

OPERATING INSTRUCTIONS

Reclining and Locking

To recline, gently push back on the chair while lifting your feet. The chair will smoothly transition into a reclined position. Once you find your desired angle, use the locking mechanisms located under the armrests to secure the position. Push the levers forward to lock and pull them back to unlock.

Adjusting the Headrest

The headrest pillow is adjustable. You can slide it up or down along the back of the chair to find the most comfortable position for your head or lumbar support.

Using the Detachable Tray

The detachable tray provides convenient storage for beverages, phones, or other small items. Ensure it is securely clipped to the chair frame before placing items on it.

MAINTENANCE

To ensure the longevity of your FDW Zero Gravity Chairs, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals that may damage the fabric or frame.
- **Drying:** Allow the chairs to air dry completely before folding and storing to prevent mildew.
- **Inspection:** Periodically check all bolts, screws, and locking mechanisms to ensure they are secure. Tighten if necessary.
- **Protection:** While designed for outdoor use, storing the chairs indoors or covering them during inclement weather will extend their lifespan.

STORAGE

The FDW Zero Gravity Chairs are designed for easy folding and storage:

1. Ensure the chair is in the upright position and unlock any reclining mechanisms.

2. Remove the detachable tray.
3. Gently push the armrests together to fold the chair flat.
4. Secure the folded chair with any integrated straps or bungee cords to keep it compact.
5. Store in a dry, protected area when not in use, especially during off-season or prolonged periods of inactivity.
