Apple MLL8AM/A

Apple USB-C Charge Cable (2m) User Manual

Model: MLL8AM/A

INTRODUCTION

This manual provides essential information for the proper use and care of your Apple USB-C Charge Cable (2m). This cable is designed to connect your USB-C enabled devices for charging and data transfer, ensuring reliable performance with compatible Apple products.

SETUP

To begin using your Apple USB-C Charge Cable, follow these steps:

- Connect to a Power Adapter:** Insert one end of the USB-C Charge Cable into a compatible USB-C power adapter (sold separately). Ensure the connection is firm.
- Connect to Your Device:** Insert the other end of the USB-C Charge Cable into the USB-C port of your Apple device (e.g., MacBook, iPad, iPhone 15 series).
- Verify Connection:** Your device should indicate that it is charging. For data transfer, ensure your device recognizes the connection.

OPERATING INSTRUCTIONS

The Apple USB-C Charge Cable is designed for both charging and data synchronization. Its 2-meter length provides flexibility for various setups.

- **Charging:** When connected to a compatible USB-C power adapter and an Apple device, the cable facilitates fast charging. The charging speed depends on the power adapter's wattage and the device's charging capabilities.
- **Data Transfer:** Connect your device to a computer with a USB-C port to transfer data, sync files, or perform backups.
- **Compatibility:** This cable is compatible with a wide range of Apple devices including MacBook, MacBook Air, MacBook Pro, iPad Pro, iPad Air, iPad mini, iPad (10th generation), iPhone 15 series, and AirPods with USB-C charging cases.

MAINTENANCE

Proper care extends the life of your cable and ensures optimal performance.

- **Storage:** Store the cable neatly coiled, avoiding sharp bends or kinks, especially near the connectors.
- **Cleaning:** Use a soft, dry, lint-free cloth to clean the cable and connectors. Avoid using liquids or abrasive cleaners.
- **Handling:** Always grasp the connector when plugging or unplugging the cable, rather than pulling on the cable itself.
- **Environment:** Avoid exposing the cable to extreme temperatures, direct sunlight, or moisture.

TROUBLESHOOTING

If you encounter issues with your USB-C Charge Cable, consider the following common solutions:

- **Device Not Charging:**
 - Ensure both ends of the cable are securely connected.
 - Verify that the USB-C power adapter is functioning correctly and is compatible with your device.
 - Try using a different power outlet.
 - Test the cable with another compatible device or power adapter to isolate the issue.
- **Slow Charging:**
 - Confirm that your power adapter provides sufficient wattage for fast charging your device.
 - Close unnecessary applications on your device to reduce power consumption during charging.
- **Data Transfer Issues:**
 - Ensure your computer's USB-C port is functional and drivers are up to date.
 - Restart both your device and the computer.
 - Check your device's settings for data transfer permissions.
- **Physical Damage:** Inspect the cable and connectors for any visible signs of damage, such as fraying, bent pins, or discoloration. If damaged, discontinue use and replace the cable.

SPECIFICATIONS

Brand	Apple
Model Name	USB-C Cable
Model Number	MLL82AM/A
UPC	888462698405
Connector Type	USB Type C (Male-to-Male)
Cable Type	USB
Length	2 meters
Color	White
Special Features	Fast charging, data transfer, lightweight design

Compatible Devices	iPad Pro 13-inch (M4), iPad Pro 12.9-inch (6th generation), iPad Pro 12.9-inch (5th generation), iPad Pro 12.9-inch (4th generation), iPad Pro 12.9-inch (3rd generation), iPad Pro 11-inch (M4), iPad Pro 11-inch (4th generation), iPad Pro 11-inch (3rd generation), iPad Pro 11-inch (2nd generation), iPad Pro 11-inch (1st generation), iPad Air 13-inch (M2), iPad Air 11-inch (M2), iPad Air (5th generation), iPad Air (4th generation), iPad (10th generation), iPad mini (A17 Pro), iPad mini (6th generation), iPhone 16 Pro, iPhone 16 Pro Max, iPhone 16e, iPhone 16, iPhone 16 Plus, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 15, iPhone 15 Plus, MacBook Air (13-inch, M3, 2024), MacBook Air (15-inch, M3, 2024), MacBook Air (15-inch, M2, 2023), MacBook Air (13-inch, M2, 2022), MacBook Air (M1, 2020), MacBook Air (Retina, 13-inch, 2020), MacBook Air (Retina, 13-inch, 2018–2019), MacBook Pro (14-inch, 2024), MacBook Pro (16-inch, 2024), MacBook Pro (14-inch, 2023), MacBook Pro (16-inch, 2023), MacBook Pro (13-inch, M2, 2022), MacBook Pro (14-inch, 2021), MacBook Pro (16-inch, 2021), MacBook Pro (16-inch, 2019), MacBook Pro (13-inch, M1, 2020), MacBook Pro (13-inch, 2020), iMac (24-inch, M4, 2024), iMac (24-inch, M1, 2021), iMac (Retina 4K, 21.5-inch, 2019), iMac (Retina 5K, 27-inch, 2019–2020), iMac Pro (2017), Mac Studio (2023), Mac Studio (2022), Mac mini (2024), Mac mini (2023), Mac mini (M1, 2020), Mac mini (2018), Mac Pro (2023), Mac Pro (2019), AirPods 4, AirPods 4 with Active Noise Cancellation, AirPods Pro 2, AirPods Max
