Febreze 96256EA

Febreze AIR Odor-Eliminating Air Freshener, Linen & Sky, 8.8 fl oz (Model 96256EA)

Instruction Manual

INTRODUCTION

This manual provides essential information for the safe and effective use of your Febreze AIR Odor-Eliminating Air Freshener. Please read all instructions carefully before use and retain this manual for future reference.

PRODUCT OVERVIEW

The Febreze AIR Odor-Eliminating Air Freshener is designed to eliminate air odors rather than merely masking them. It utilizes cyclodextrin, a molecule derived from corn, to neutralize unpleasant smells, leaving a light, fresh scent. This product is suitable for use in various indoor environments.

Key Features:

- Eliminates air odors without masking.
- Features the Linen & Sky scent, providing a fresh, airy aroma.
- Utilizes a 100% natural propellant.
- Suitable for use in bathrooms, kitchens, offices, and laundry rooms.

USAGE INSTRUCTIONS

1. Preparation

Ensure the area where the air freshener will be used is clear. No shaking is required; the product is ready for immediate use.

2. Application

1. Hold the can upright.
2. Pull the trigger back to activate the spray.
3. Spray the air in a sweeping motion throughout the entire room.
4. For best results, do not shake the can during or before use.

Image: Febreze AIR spray shown in various household settings, including a living room, kitchen, and bathroom, demonstrating its versatility for freshening different areas.

SAFETY INFORMATION

USE ONLY AS DIRECTED.

- Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. For more information on inhalation abuse prevention, visit www.inhalant.org.
- Some hard surfaces may become damp when sprayed. Avoid slips or falls by drying damp floors.
- **KEEP OUT OF REACH OF CHILDREN AND PETS.**

- Do not spray toward face. If eye contact occurs, rinse well with water. If irritation persists, seek medical attention.
- Do not expose to heat or open flame, or store at temperatures above 120°F (49°C).
- Do not puncture or incinerate the container.
- Do not freeze.
- Safe to use around cats and dogs. As with other air care products, not for use around birds.

INGREDIENTS

The primary active ingredients are fragrances.

STORAGE AND DISPOSAL

Storage:

- Store in a cool, dry place away from direct sunlight and heat sources.
- Do not store in vehicles where temperatures can exceed 120°F (49°C).
- Keep out of reach of children and pets.

Disposal:

Dispose of the empty container properly according to local regulations. Do not puncture or incinerate.

TROUBLESHOOTING

Febreze AIR is designed for simple operation. If you encounter any issues, consider the following:

- **Product not spraying:** Ensure the nozzle is clear and not obstructed. The can should be held upright during use.
- **Irritation after contact:** If skin or eye contact occurs and irritation persists after rinsing with water, consult a medical professional.
- **Scent not noticeable:** Ensure adequate product is sprayed in the desired area. For larger rooms, more sweeping motions may be necessary.
