Luxor LX-PNADJ-ROUND

Luxor LX-PNADJ-Round Pneumatic Adjustable Round Pedestal Table

User Manual

1. INTRODUCTION

This manual provides instructions for the assembly, operation, maintenance, and troubleshooting of your Luxor LX-PNADJ-Round Pneumatic Adjustable Round Pedestal Table. This table is designed for versatile use in various environments, offering easy height adjustment for both seated and standing functions. Key features include a pneumatic lift pedal for smooth height adjustments between 27.5 inches and 42 inches, a durable tabletop surface, and a sturdy steel base for stability.

2. SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight recommendation of 25 pounds on the tabletop. Overloading can cause instability and damage.
- **Stable Surface:** Always place the table on a flat, stable, and level surface to prevent tipping.
- **Clearance:** Ensure adequate clearance around the table when adjusting its height to avoid pinching or striking objects.
- **Children and Pets:** Keep children and pets away from the table during height adjustments to prevent injury.
- **Assembly:** Ensure all components are securely fastened according to the assembly instructions before use.
- **Moving the Table:** When moving the table, lower it to its lowest height setting and lift it carefully. Do not drag the table, as this may damage the base or floor.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Round Tabletop (1)
- Pedestal Column with Pneumatic Lift Mechanism (1)
- Base Assembly (1)

- Hardware Pack (Screws, Washers, Allen Wrench if applicable)
- Assembly Guide (1)

4. SETUP AND ASSEMBLY

Tools Recommended: Screwdriver.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Pedestal to Base:** Secure the pedestal column to the base assembly using the provided hardware. Ensure all screws are tightened firmly.
3. **Attach Tabletop to Pedestal:** Place the tabletop upside down on a soft surface. Align the pedestal column with the pre-drilled holes on the underside of the tabletop. Attach the tabletop to the pedestal using the provided screws and a screwdriver. Ensure a secure connection.
4. **Adjust Levelers (Optional):** The base may include adjustable levelers. If the table wobbles, gently turn the levelers on the bottom of the base until the table is stable.

5. OPERATING INSTRUCTIONS

The Luxor LX-PNADJ-Round table features a pneumatic lift system for effortless height adjustment.

1. **Adjusting Height Upwards:** To raise the table, gently press the pneumatic lift pedal located near the base of the pedestal column. The table will smoothly rise. Release the pedal at your desired height.
2. **Adjusting Height Downwards:** To lower the table, gently press the pneumatic lift pedal while applying slight downward pressure on the tabletop. The table will smoothly descend. Release the pedal at your desired height.

The table can be adjusted to any height between 27.5 inches (seated position) and 42 inches (standing position).

6. MAINTENANCE

- **Cleaning:** Wipe the table surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Pneumatic Mechanism:** The pneumatic lift mechanism is designed to be maintenance-free. Do not attempt to lubricate or disassemble it.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Table wobbles or is unstable.	Uneven floor surface; loose connections; unevenly adjusted levelers.	Ensure the table is on a flat surface. Check and tighten all assembly screws. Adjust the foot levelers on the base until the table is stable.
Table does not adjust height smoothly.	Obstruction in the lift mechanism; excessive weight on the tabletop; pneumatic cylinder issue.	Check for any obstructions around the pedestal column. Ensure the weight on the table does not exceed 25 pounds. If the issue persists, contact customer support.
Pneumatic pedal is stuck or unresponsive.	Debris under the pedal; internal mechanism issue.	Inspect the pedal for any debris and clear it. Do not force the pedal. If it remains unresponsive, contact customer support.

8. SPECIFICATIONS

Model Number	LX-PNADJ-ROUND
Brand	Luxor
Product Dimensions (Max Height)	19"D x 17"W x 42"H
Adjustable Height Range	27.5" to 42"
Maximum Weight Recommendation	25 Pounds
