2. PRODUCT FEATURES

The Hot Wheels HW DAREDEVILS Blue Custom Ford Bronco 153/250 is a finely detailed 1:64 scale die-cast vehicle designed for play, collection, and racing. Key features include:

- **Series:** Part of the HW DAREDEVILS series, known for fearless stunt vehicles.
- **Model:** Custom Ford Bronco in a deep sky blue finish.
- **Design:** Features a gray top, white stripes, yellow and orange flames, and blue checkerboard graphics on the hood and sides. The Hot Wheels logo is present above the rear fender.
- **Wheels:** Equipped with chrome rim Off Road 6 Spoke Wheels.
- **Scale:** 1:64 scale die-cast construction.

3. SETUP AND INITIAL USE

This Hot Wheels vehicle is ready for immediate use upon removal from its packaging. No assembly or batteries are required.

1. **Unpackaging:** Carefully remove the vehicle from its blister pack.
2. **Inspection:** Before play, inspect the vehicle for any visible damage or loose parts.
3. **Ready to Play:** The vehicle is now ready for racing, collecting, or display.

4. OPERATING INSTRUCTIONS

The Hot Wheels Custom Ford Bronco is designed for simple, imaginative play.

- **Rolling Play:** Push the vehicle along flat surfaces to engage its free-rolling wheels.
- **Track Compatibility:** This vehicle is compatible with most Hot Wheels tracks and playsets (sold separately). Ensure the track is properly assembled according to its own instructions.
- **Stunt Play:** Utilize the vehicle on Hot Wheels stunt ramps and loops for dynamic action.

Safety Note: This product contains small parts and is not suitable for children under 36 months (3 years) due to choking hazards. Adult supervision is recommended during play.

5. CARE AND MAINTENANCE

To maintain the condition and appearance of your Hot Wheels vehicle, follow these simple guidelines:

- **Cleaning:** Wipe the vehicle with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, which can damage the paint and decals.
- **Storage:** Store the vehicle in a cool, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation.
- **Handling:** Handle the vehicle with care to avoid bending axles, chipping paint, or breaking small plastic components.

6. TROUBLESHOOTING

Hot Wheels die-cast vehicles are generally robust. If you encounter any issues, consider the following:

- **Wheels not rolling smoothly:** Check for any debris caught in the axles or wheels. Gently remove any obstructions. Ensure the axles are not bent.

- **Paint or decals peeling:** This is typically due to wear and tear from play or improper cleaning. Unfortunately, paint and decal damage from use is not usually repairable.
- **Broken parts:** If a part breaks, assess if it can be safely reattached with appropriate adhesive (e.g., plastic model glue) by an adult. Discard if sharp edges or small pieces pose a hazard.
