LEMEGA M4+

LEMEGA M4+ Hi-Fi Compact Stereo System User Manual

Model: M4+

INTRODUCTION

This manual provides detailed instructions for the operation and maintenance of your LEMEGA M4+ Hi-Fi Compact Stereo System. The M4+ is an all-in-one music system featuring a CD player, DAB/DAB+ digital radio, FM radio, Internet radio, Spotify Connect, Bluetooth connectivity, and USB playback. Please read this manual thoroughly before using the device to ensure proper function and to maximize your listening experience.

SAFETY INFORMATION

To prevent fire or electric shock, do not expose this appliance to rain or moisture. Do not use this product near water. Clean only with a dry cloth. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat. Protect the power cord from being walked on or pinched. Only use attachments/accessories specified by the manufacturer. Unplug this apparatus during lightning storms or when unused for long periods of time. Refer all servicing to qualified service personnel.

the main unit and its remote control.

Figure 1: Front view of the LEMEGA M4+ Hi-Fi system with the included remote control. The unit features a central display, CD slot, and control buttons.

Figure 2: Overview of the M4+'s key features, including CD Player, DAB/DAB+ Radio, Internet Radio, Spotify, Bluetooth, and FM Radio capabilities.

SETUP

1. Power Connection

1. Connect the multi-country power supply to the DC IN port on the rear of the M4+ unit.
2. Plug the power supply into a suitable wall outlet.

2. Antenna Connection

For optimal DAB/DAB+ and FM radio reception, ensure the telescopic antenna on the rear of the unit is fully extended.

3. Initial Power-On

Press the Power button on the unit or remote control to turn on the M4+. The display will illuminate, and the system will begin its initial setup process.

4. Network Connection (Wi-Fi)

To access Internet Radio and Spotify Connect, the M4+ requires a Wi-Fi connection.

1. Navigate to the 'System Settings' menu using the control knob or remote.
2. Select 'Network' and then 'Wi-Fi Setup'.
3. Choose 'Scan' to find available Wi-Fi networks.
4. Select your network from the list and enter the password using the on-screen keyboard.
5. Confirm the password to establish the connection.

OPERATING INSTRUCTIONS

General Operation

- **Power On/Off:** Press the Power button.
- **Volume Control:** Rotate the main control knob or use the Volume +/- buttons on the remote.
- **Mode Selection:** Press the 'Mode' button on the unit or remote to cycle through available sources (CD, DAB, FM, Internet Radio, Bluetooth, USB, AUX).
- **Navigation:** Use the control knob to scroll through menus and press to select. Use the arrow buttons on the remote for navigation.

CD Player Operation

The M4+ features a slot-in CD player compatible with CD, CD-R, and CD-RW discs.

1. Select 'CD' mode.
2. Gently insert a CD into the slot on the front of the unit with the label side facing up. The disc will be drawn in automatically.
3. Playback will begin automatically. Use the Play/Pause, Skip, and Stop buttons on the unit or remote to control playback.

Figure 7: The M4+ unit showing the time, indicating its dual alarm clock functionality.

System Settings

Access various system configurations:

- **Time/Date:** Set manually or synchronize via network.
- **Display:** Adjust brightness and backlight settings.
- **Equalizer:** Customize audio profiles.

- **Software Update:** Check for and install firmware updates.
- **Factory Reset:** Reset all settings to default.

MAINTENANCE

Cleaning

Wipe the unit with a soft, dry, lint-free cloth. Do not use abrasive cleaners, waxes, or solvents as they may damage the finish. For the display, use a screen-specific cleaning solution if necessary, applied to a cloth, not directly to the screen.

Care for the Unit

Avoid placing the unit in direct sunlight, near heat sources, or in areas with high humidity or dust. Ensure adequate ventilation around the unit to prevent overheating. Handle CDs and USB drives carefully to prevent scratches or damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cord not connected; Power outlet faulty	Ensure power cord is securely connected. Try a different power outlet.
No sound	Volume too low; Mute activated; Incorrect source selected	Increase volume. Check if mute is active. Select the correct audio source.
Cannot connect to Wi-Fi	Incorrect password; Router too far; Network issue	Verify Wi-Fi password. Move unit closer to router. Restart router.
Poor radio reception	Antenna not extended; Interference	Fully extend the telescopic antenna. Reposition the unit to reduce interference.
CD not playing	Disc inserted incorrectly; Disc scratched/dirty; Incompatible disc type	Ensure disc is inserted correctly (label up). Clean or replace disc. Use compatible CD, CD-R, CD-RW.
Bluetooth pairing fails	Device not in pairing mode; M4+ not in Bluetooth mode	Ensure both devices are in pairing mode. Check if M4+ is in Bluetooth source mode.
