## SENTRY BT825

# SENTRY BT825 Evolution Rechargeable Headphones User Manual

Model: BT825

## 1. INTRODUCTION

Thank you for choosing the SENTRY BT825 Evolution Rechargeable Headphones. These headphones are designed to provide a high-quality audio experience with the convenience of wireless Bluetooth connectivity and a built-in in-line microphone for hands-free communication. This manual will guide you through the setup, operation, and maintenance of your new headphones.

## **2. PACKAGE CONTENTS**

Please check the package for the following items:

- SENTRY BT825 Evolution Rechargeable Headphones
- Protective Case
- USB Charging Cable
- 3.5mm Audio Cable
- User Manual (this document)

## **3. PRODUCT OVERVIEW**

Familiarize yourself with the various parts and controls of your SENTRY BT825 Evolution headphones:

Image: A close-up view of the SENTRY BT825 Evolution headphones, showing the earcups and headband. The in-line microphone is integrated into the cable (not visible in this specific image but part of the product description).

- **Power Button:** Used to turn the headphones on/off and for Bluetooth pairing.
- **Volume Up/Next Track Button:** Increases volume with a short press, skips to next track with a long press.
- **Volume Down/Previous Track Button:** Decreases volume with a short press, goes to previous track with a long press.
- **Multi-function Button (MFB):** Play/pause music, answer/end calls.
- **Microphone:** Integrated for hands-free calls.
- **3.5mm Audio Jack:** For wired connection.
- **USB Charging Port:** For charging the internal battery.
- **LED Indicator:** Shows power, charging, and Bluetooth status.

## 4. CHARGING THE HEADPHONES

Before first use, fully charge your headphones. The BT825 Evolution headphones feature USB connectivity for convenient charging.

1. Connect the small end of the USB charging cable to the USB charging port on your headphones.
2. Connect the larger end of the USB charging cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator will illuminate during charging and change color or turn off once charging is complete.
4. A full charge provides approximately 8 hours of playtime.

## 5. PAIRING WITH BLUETOOTH

To connect your headphones wirelessly to a device:

1. Ensure the headphones are turned off.
2. Press and hold the Power button until the LED indicator flashes rapidly (usually blue and red), indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "SENTRY BT825" from the list of found devices.
5. Once paired, the LED indicator will typically flash slowly or turn solid blue.
6. The wireless range is up to 10 meters (33 feet).

**Note:** If pairing fails, turn off the headphones and your device's Bluetooth, then repeat the steps.

## 6. USING THE HEADPHONES

### Audio Playback

- **Play/Pause:** Press the Multi-function Button (MFB) once.
- **Volume Up:** Short press the Volume Up button.
- **Volume Down:** Short press the Volume Down button.
- **Next Track:** Long press the Volume Up button.
- **Previous Track:** Long press the Volume Down button.

### Call Handling

The in-line microphone allows for hands-free calls when connected via Bluetooth.

- **Answer/End Call:** Press the MFB once.
- **Reject Call:** Press and hold the MFB for 2 seconds.
- **Redial Last Number:** Double-press the MFB.

## 7. WIRED CONNECTION

You can also use your SENTRY BT825 Evolution headphones with a wired connection using the included 3.5mm audio cable. This is useful when the battery is depleted or for devices without Bluetooth.

1. Plug one end of the 3.5mm audio cable into the 3.5mm audio jack on your headphones.
2. Plug the other end of the 3.5mm audio cable into the audio output jack of your device.
3. The headphones will function as passive wired headphones. Note that the built-in controls and microphone may not function in wired mode, depending on your device.

## 8. MAINTENANCE

To ensure the longevity and optimal performance of your headphones:

- Clean the headphones regularly with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures, humidity, or direct sunlight.
- Do not use abrasive cleaners or solvents.
- Store the headphones in the provided protective case when not in use.
- Avoid dropping or subjecting the headphones to strong impacts.

## 9. TROUBLESHOOTING

If you encounter issues with your headphones, try the following solutions:

- **No Power:** Ensure the headphones are fully charged.
- **Cannot Pair via Bluetooth:**
  - Make sure the headphones are in pairing mode (LED flashing rapidly).
  - Ensure Bluetooth is enabled on your device.
  - Move the headphones closer to your device (within 10 meters).
  - Turn off and restart both the headphones and your device.
  - Clear previous Bluetooth connections on your device.
- **No Sound:**
  - Check the volume levels on both the headphones and your connected device.
  - Ensure the headphones are properly paired or the 3.5mm cable is securely connected.
  - Try playing audio from a different source or application.
- **Microphone Not Working:**
  - Ensure the headphones are connected via Bluetooth. The microphone may not work in wired mode.
  - Check microphone settings on your connected device.
