Audio Pro Addon T5 Wireless and Wired Speaker User Manual

Model: Addon T5 | Brand: Audio Pro

- [Introduction](#)[Safety Information](#)[Package Contents](#)[Product](#)
- [Overview](#)[Setup](#)[Operation](#)[Maintenance](#)[Troubleshooting](#)[Specifications](#)[Warranty & Support](#)

1. INTRODUCTION

Thank you for choosing the Audio Pro Addon T5 speaker. This manual provides essential information for the proper setup, operation, and maintenance of your device. The Addon T5 is a compact yet powerful speaker designed to deliver high-quality audio with both wireless Bluetooth and wired connectivity options. It features 40 watts of power, an advanced digital signal processor (DSP), and a convenient USB charging port for your smart devices.

Image 1.1: Front view of the Audio Pro Addon T5 speaker, showcasing its compact design and speaker grilles.

2. SAFETY INFORMATION

Please read all safety instructions carefully before using the product. Keep this manual for future reference.

- Do not expose the speaker to rain, moisture, or extreme temperatures.
- Do not open the speaker enclosure. Refer all servicing to qualified personnel.
- Ensure proper ventilation around the speaker.
- Use only the power adapter supplied with the device.
- Keep the speaker away from heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Clean only with a dry cloth.

3. PACKAGE CONTENTS

Verify that all items are present in the package. If any items are missing or damaged, contact your retailer.

- Audio Pro Addon T5 Speaker
- Power Cable
- User Manual (this document)

4. PRODUCT OVERVIEW

4.1 Front Panel

Image 4.1: Detailed front view of the Addon T5, showing the central woofer and two tweeters.

The front panel features the main speaker drivers: a central woofer for bass and mid-range frequencies, and two tweeters for clear high frequencies.

4.2 Top Panel Controls

Image 4.2: Top view of the Addon T5, highlighting the control panel and the leather handle.

- **Volume Control:** Adjusts the overall sound level.
- **Input Selector:** Switches between Bluetooth and Auxiliary (AUX) input.
- **Power Button:** Turns the speaker on or off.

4.3 Rear Panel Connections

Image 4.3: Rear panel of the Addon T5, showing the power input, USB charging port, and AUX input.

- **Power Input:** Connect the supplied power cable here.
- **USB Charging Port (5V/1000mA):** For charging external devices.
- **AUX Input (3.5mm):** For wired audio connection.
- **Standby/Auto On Switch:** Controls automatic power-on behavior.

5. SETUP

5.1 Power Connection

1. Connect the power cable to the Power Input port on the rear panel of the Addon T5.
2. Plug the other end of the power cable into a wall outlet.
3. The speaker is now ready for use.

5.2 Initial Placement

Place the speaker on a stable, flat surface. For optimal sound quality, avoid placing it in enclosed spaces or directly against a wall, which can affect bass response.

Image 5.1: The Addon T5 speaker positioned on a shelf, demonstrating suitable placement.

6. OPERATING INSTRUCTIONS

6.1 Power On/Off

- To turn on the speaker, press the Power Button on the top panel.
- To turn off the speaker, press and hold the Power Button until the indicator light turns off.

6.2 Bluetooth Pairing

1. Ensure the speaker is powered on.
2. Press the Input Selector button on the top panel until the Bluetooth indicator light flashes, indicating pairing mode.
3. On your audio device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Audio Pro Addon T5" from the list.
5. Once paired, the Bluetooth indicator light will become solid. You can now stream audio wirelessly.

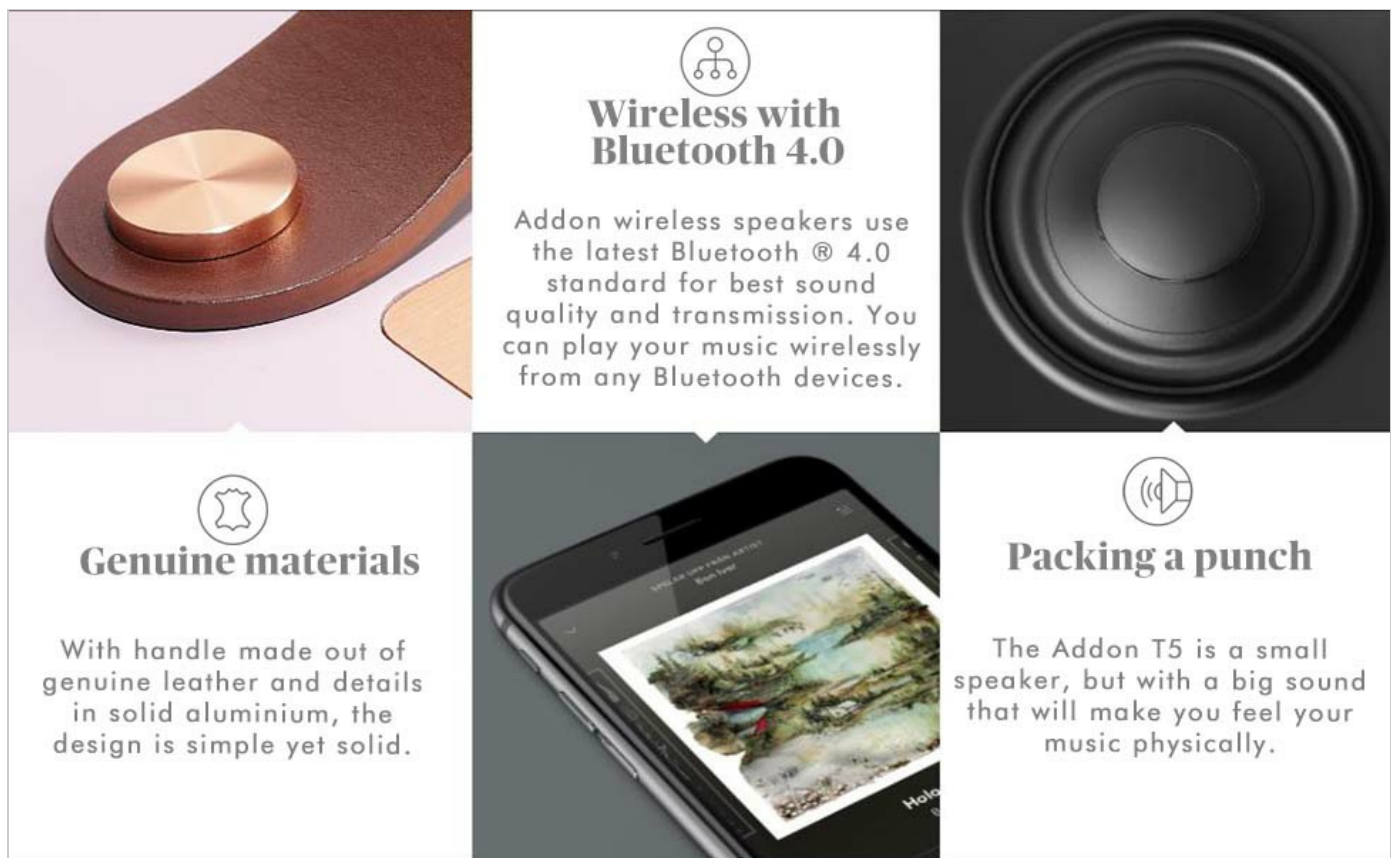

Image 6.1: Visual representation of Bluetooth 4.0 wireless connectivity, a key feature of the Addon T5.

6.3 Auxiliary (AUX) Input

1. Connect a 3.5mm audio cable from your audio source (e.g., MP3 player, TV) to the AUX Input port on the rear panel of the Addon T5.
2. Press the Input Selector button on the top panel until the AUX indicator light illuminates.
3. Audio will now play through the wired connection.

6.4 USB Charging Port

The USB port on the rear panel is for charging external devices only. It provides 5V/1000mA output. Connect your device's USB charging cable to this port to charge it while the speaker is powered on. This port does not support audio input.

7. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the speaker. Do not use liquid cleaners or abrasive materials.
- **Storage:** When not in use for extended periods, store the speaker in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Handle Care:** The leather handle should be kept dry and clean. Avoid exposing it to excessive moisture or harsh chemicals.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cable not connected or outlet not active.	Ensure the power cable is securely connected to both the speaker and a working wall outlet.

Problem	Possible Cause	Solution
No sound via Bluetooth	Not paired, wrong input selected, or volume too low.	◦ Ensure the speaker is in Bluetooth mode (flashing or solid blue light). ◦ Re-pair the device if necessary. ◦ Increase the volume on both the speaker and your audio device.
No sound via AUX	Wrong input selected or cable not connected.	◦ Ensure the speaker is in AUX mode. ◦ Check that the 3.5mm audio cable is securely connected to both the speaker and the audio source. ◦ Test with a different audio cable if available.
Poor sound quality	Low-quality audio source, improper placement, or interference.	◦ Use high-quality audio files or streaming services. ◦ Adjust speaker placement to optimize acoustics. ◦ Move the speaker away from other electronic devices that may cause interference.

9. SPECIFICATIONS

Model Name	Addon T5
Brand	Audio Pro
Speaker Type	Multiroom (though listed as portable, the spec says multiroom)
Connectivity Technology	Bluetooth, USB, 3.5mm Audio
Bluetooth Version	4.0
Output Wattage	40 Watts
Power Source	Corded Electric
Dimensions (L x W x H)	31.5 x 22.61 x 21.59 cm
Weight	2.45 Kilograms
Model Number	14230
Year of Model	2016

10. WARRANTY AND SUPPORT

The Audio Pro Addon T5 speaker comes with a limited warranty. For specific details regarding warranty coverage and duration, please refer to the warranty card included with your product or contact Audio Pro customer support.

Customer Support

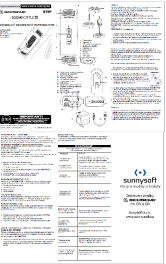

For technical assistance, troubleshooting, or service inquiries, please visit the official Audio Pro website or contact their customer support team.
