## PowerLocus P1

# PowerLocus P1 Wireless Bluetooth Headphones User Manual

Model: P1 | Brand: PowerLocus

## INTRODUCTION

The PowerLocus P1 Wireless Bluetooth Headphones are designed to provide a superior audio experience with versatile connectivity and comfortable wear. These over-ear headphones feature Hi-Fi stereo sound, deep bass, and dynamic power, making them suitable for various uses including travel, entertainment, and fitness. With a foldable design and universal compatibility, they are built for convenience and durability.

## WHAT'S IN THE Box

Upon unboxing your PowerLocus P1 headphones, please ensure all the following items are present:

- PowerLocus P1 Bluetooth Headphones
- 3.5mm Audio Cable
- USB Charging Cable
- Protective Carrying Case

Figure 1: All items included in the PowerLocus P1 headphone package.

## PRODUCT OVERVIEW

The PowerLocus P1 headphones are designed for ease of use and portability. They feature a foldable headband and soft ear cushions for extended comfort.

## SETUP

### Charging the Headphones

Before first use, fully charge your PowerLocus P1 headphones. A full charge takes approximately 2.5 hours.

1. Locate the USB charging port on the earcup (refer to Figure 4).
2. Connect the provided USB charging cable to the headphone's charging port.
3. Plug the other end of the USB cable into a compatible USB power source (e.g., computer USB port, wall adapter).
4. The LED indicator light will show charging status (refer to user manual for specific light indications).

### Bluetooth Pairing

The PowerLocus P1 headphones can be paired with any Bluetooth-enabled device.

1. Ensure the headphones are fully charged and powered off.
2. Press and hold the Power/Play/Pause button for 2-3 seconds until the LED indicator light flashes blue, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "PowerLocus P1" from the list of found devices.
5. Once successfully paired, the LED indicator light will turn solid blue.
6. The headphones can connect to two devices simultaneously.

## Wired Connection (AUX Mode)

For devices without Bluetooth or when the battery is low, you can use the provided 3.5mm audio cable.

1. Locate the 3.5mm AUX input port on the earcup (refer to Figure 4).
2. Connect one end of the 3.5mm audio cable to the headphone's AUX port.
3. Connect the other end of the cable to the 3.5mm audio jack on your device.
4. The headphones will automatically switch to wired mode.

## OPERATING INSTRUCTIONS

---

### Basic Controls

The control buttons are located on the right earcup (refer to Figure 4).

- **Power On/Off:** Press and hold the Power/Play/Pause button for 2-3 seconds.
- **Play/Pause:** Short press the Power/Play/Pause button.
- **Volume Up:** Long press the 'Volume Up/Next Track' button.
- **Volume Down:** Long press the 'Volume Down/Previous Track' button.
- **Next Track:** Short press the 'Volume Up/Next Track' button.
- **Previous Track:** Short press the 'Volume Down/Previous Track' button.

### Call Management

The built-in microphone allows for hands-free calling.

- **Answer/End Call:** Short press the Call button.
- **Reject Call:** Long press the Call button.
- **Redial Last Number:** Double-press the Call button.

### FM Radio and MP3 Player

The headphones support FM radio and MP3 playback via a Micro SD/TF card.

- **MP3 Playback:** Insert a Micro SD/TF card with MP3 files into the card slot. The headphones will automatically begin playback.
- **FM Radio:** In FM mode, short press the FM/MP3 button to auto-search for radio stations. Use the 'Next Track' and 'Previous Track' buttons to switch between stations.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your PowerLocus P1 headphones, follow these maintenance

guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in their protective carrying case to prevent scratches and damage. Avoid storing in extreme temperatures or humid environments.
- **Battery Care:** Avoid fully discharging the battery frequently. Charge regularly to maintain battery health.
- **Handling:** Handle the headphones with care. Avoid dropping them or applying excessive force to the headband or earcups.

## TROUBLESHOOTING

---

If you encounter any issues with your PowerLocus P1 headphones, refer to the following common solutions:

Problem	Possible Solution
Headphones won't turn on.	Ensure the headphones are fully charged. Connect to a power source and wait a few minutes before attempting to turn on.
Cannot pair via Bluetooth.	Make sure Bluetooth is enabled on your device. Ensure headphones are in pairing mode (flashing blue light). Move headphones closer to the device. Forget previous pairings on your device and try again.
No sound or low volume.	Check volume levels on both headphones and the connected device. Ensure the audio cable is fully inserted if using wired mode. If using Bluetooth, ensure a stable connection.
Sound distortion.	Reduce the volume on both the headphones and the connected device. Move away from sources of interference.
Microphone not working.	Ensure the headphones are properly connected. Check microphone settings on your device.

## SPECIFICATIONS

---

Feature	Detail
Model Name	P1

Country of Origin	China

## WARRANTY & SUPPORT

PowerLocus offers a 24-month full warranty service for your headphones. If you are not satisfied with the quality, you may return them within 45 days for a money-back guarantee.

For any questions or concerns, 24/7 support is available. Please refer to the contact information provided with your product or visit the official PowerLocus website for assistance.

You can also refer to the official User Manual (PDF) available online for more detailed information [User Manual \(PDF\)](#)

## IMPORTANT SAFETY INFORMATION

- Do not expose headphones to extreme temperatures, humidity, or liquids.
- Avoid listening at high volume levels for extended periods to prevent hearing damage.
- Do not attempt to disassemble or modify the headphones. This will void the warranty.
- Keep out of reach of small children.
- Dispose of the product responsibly according to local regulations.
