TNP Products CBL-SPT2-C7

TNP 2-Prong NEMA 1-15P to IEC320 C7 Power Cord

Brand: TNP Products | Model: CBL-SPT2-C7

1. INTRODUCTION AND OVERVIEW

This manual provides essential information for the proper use and care of your TNP 2-Prong NEMA 1-15P to IEC320 C7 Power Cord. This power cord is designed to replace lost or damaged cables and to provide power to a wide range of electronic devices that utilize a 2-slot non-polarized power connection.

Key features include:

- **Universal Compatibility:** Suitable for devices requiring a NEMA 1-15P to IEC320 C7 connection.
- **Safety Certified:** UL Listed and CSA Certified, ensuring compliance with safety standards.
- **Durable Construction:** Manufactured with high-quality PVC and pure copper for reliability.

Image of the TNP 2-Prong NEMA 1-15P to IEC320 C7 Power Cord, featuring the standard NEMA 1-15P plug on one end and the IEC320 C7 connector on the other.

2. SETUP INSTRUCTIONS

The TNP 2-Prong Power Cord is designed for straightforward connection. Follow these steps to set up your device:

1. **Identify Connectors:** Ensure your device requires a NEMA 1-15P (standard North American 2-prong wall plug) to IEC320 C7 (figure-8) connection.
2. **Connect to Device:** Insert the IEC320 C7 (figure-8) end of the power cord firmly into the corresponding power inlet on your electronic device.
3. **Connect to Power Outlet:** Plug the NEMA 1-15P (2-prong) end of the power cord into a standard 120V AC wall outlet.
4. **Verify Connection:** Ensure both ends are securely connected before powering on your device.

Compatibility Examples:

- Game Consoles: PS5, PS4, PS4 Slim, PS3 Slim, PS3 Super Slim, Xbox One S, Xbox One X, Xbox Series S, Xbox Series X. *Note: Not compatible with PS3 fat, Xbox 360, Xbox 360 slim, PS4 Pro.*
- Printers: HP, Canon, Epson.
- Televisions: Samsung TV, Apple TV, Fire TV, LG, Insignia.
- Other Devices: Mac mini, soundbars, small cassette recorders, battery-operated radios, battery chargers, full-

sized audio-visual equipment, laptops, VCRs, DVD players, and other similar double-insulated appliances.

Universal Compatibility

Power Supply

Printer

Irobot roomba

Game Console

TV

Soundbar

Examples of devices compatible with the TNP 2-prong power cord, including power supplies, printers, robot vacuums, game consoles, TVs, and soundbars.

3. OPERATING INSTRUCTIONS

Once the power cord is securely connected to both your device and a power outlet, the device is ready for operation according to its own instruction manual. This power cord facilitates the electrical connection; it does not have operational controls itself.

Always ensure the power cord is not kinked, pinched, or placed under heavy objects to prevent damage.

4. MAINTENANCE

To ensure the longevity and safe operation of your TNP Power Cord, consider the following maintenance guidelines:

- **Regular Inspection:** Periodically inspect the entire length of the cord, including the plugs and connectors, for any signs of damage such as cuts, fraying, or exposed wires.

- **Cleaning:** If necessary, gently wipe the cord with a dry, soft cloth. Do not use liquid cleaners or immerse the cord in water.
- **Storage:** When not in use, store the cord in a cool, dry place, loosely coiled to prevent kinks. Avoid wrapping it tightly around objects.
- **Avoid Overstretching:** Do not pull on the cord to disconnect it from an outlet or device; always grasp the plug or connector directly.

If any damage is observed, discontinue use immediately and replace the cord.

5. TROUBLESHOOTING

If your device is not receiving power after connecting the TNP Power Cord, consider the following:

- **Check Connections:** Ensure both the NEMA 1-15P plug and the IEC320 C7 connector are fully and securely inserted into their respective ports.
- **Verify Power Outlet:** Test the wall outlet with another known working device to confirm it is supplying power.
- **Inspect Cord for Damage:** Visually inspect the power cord for any visible damage (cuts, bends, fraying). A damaged cord should not be used.
- **Device Compatibility:** Confirm that your device is compatible with a 2-prong non-polarized power cord and specifically with the IEC320 C7 connector type.

If the issue persists after these checks, consult the instruction manual for your electronic device or contact the device manufacturer for further assistance.

6. SPECIFICATIONS

Feature	Specification
Model Number	CBL-SPT2-C7
Connector Type (Wall)	NEMA 1-15P (2-Prong, Non-Polarized)
Connector Type (Device)	IEC320 C7 (Figure 8)
Voltage Rating	125 Volts
Current Rating	10 Amps (18 AWG)
Color	White
Product Dimensions (approx.)	8 x 2 x 1 inches (for 1 ft variant)
Item Weight (approx.)	0.48 ounces (for 1 ft variant)
Certifications	UL Listed, CSA Certified
Manufacturer	TNP Products

125V

The power cord displaying its electrical rating of 10 Amps and 125 Volts, along with the UL certification mark, indicating safety compliance.

7. SAFETY INFORMATION

Adhere to the following safety guidelines when using any electrical power cord:

- **Electrical Safety:** This power cord is designed for use with 125V AC power. Ensure your power source matches this requirement.
- **UL and CSA Certified:** The cord is UL Listed and CSA Certified, meaning it has been tested and meets safety standards for fire and shock hazards.
- **Indoor Use Only:** This power cord is intended for indoor use in dry locations. Do not use it in wet or damp environments.
- **Avoid Overloading:** Do not connect the cord to devices that exceed its rated current capacity (10 Amps).
- **Proper Handling:** Never modify the plug or cord. Do not use if the cord or connectors are damaged. Keep out of reach of children and pets.

The official UL (Underwriters Laboratories) certification logo, signifying that the product meets recognized safety standards.

8. WARRANTY AND SUPPORT

Specific warranty information for TNP Products is typically provided with your purchase or can be found on the manufacturer's official website. For any product support, technical assistance, or warranty claims, please refer to the contact information provided by TNP Products at the time of purchase or visit their official website.
