## PRESTIGE P500-P-SW6288

# PRESTIGE P500-P-SW6288 Interior Paint and Primer in One User Manual

Model: P500-P-SW6288

## 1. INTRODUCTION

---

This manual provides detailed instructions for the proper use and maintenance of your PRESTIGE P500-P-SW6288 Interior Paint and Primer in One. This ultra-premium acrylic latex paint is designed for interior surfaces, offering a semi-gloss finish. Please read all instructions carefully before beginning your project to ensure optimal results and safety.

## 2. PRODUCT OVERVIEW

---

The PRESTIGE P500-P-SW6288 is an acrylic latex interior paint that combines paint and primer in one formula. It is suitable for various interior surfaces and provides a durable, washable semi-gloss finish.

### Key Features:

- Self-primers over properly prepared uncoated drywall, stucco, plaster, or previously painted interior surfaces.
- 100% Acrylic latex paint for easy soap and water clean-up.
- Low VOC: less than 5 g/l prior to tinting.
- Smooth application, ideal for living rooms, family rooms, media rooms, bedrooms, dining rooms, kitchens, and hallways.
- Semi-gloss finish provides a reflective, shiny appearance, brightening rooms and offering ease of cleaning.

### 3. SURFACE PREPARATION

---

Proper surface preparation is crucial for achieving a durable and aesthetically pleasing finish. Follow these steps:

1. **Remove Loose Paint:** Ensure all loose or peeling paint is completely removed from the surface.
2. **Clean Surface:** Clean the surface thoroughly with a detergent to remove dirt, grease, and other contaminants. Rinse well to eliminate all soap residue and allow the surface to dry completely.
3. **Scuff Sand Glossy Surfaces:** For previously painted glossy surfaces, scuff sand to create a profile for better adhesion.
4. **Repair Imperfections:** Repair all cracks and holes. Sand smooth once dry.
5. **Remove Dust:** Wipe away any dust with a damp cloth and allow to dry.
6. **Cure New Plaster:** New plaster must be properly cured before painting. Once cured, prime with this product.
7. **Prime New Wood:** New wood surfaces may require an oil-based primer/sealer.
8. **Prime Metal:** For metal surfaces, use a proper rust primer before applying this paint.
9. **Stained Surfaces:** On stained surfaces, use a stain-blocking primer sealer.

### 4. APPLICATION INSTRUCTIONS

---

Follow these steps for effective application of PRESTIGE P500-P-SW6288 paint:

1. **Stir Paint:** Thoroughly stir or mix the paint before use. If using multiple containers, intermix them to ensure color uniformity.
2. **Application Method:** Apply the product as is with a high-quality applicator. Recommended tools include

a 3/8-inch nap roller cover, a brush, or a pad painter.

3. **Thinning (if necessary):** Thin sparingly with water only if necessary for spraying applications.
4. **Coverage:** Average coverage is 250-400 sq. ft. (37 square meters) per gallon (3.78 L).
5. **Drying Time:** The paint dries to the touch in one hour.
6. **Recoat Time:** If a second coat is necessary, wait at least four hours before recoating. Certain colors may require more than one coat for complete hide.

## 5. MAINTENANCE AND CLEANING

---

To maintain the appearance and durability of your painted surfaces:

- **Initial Cure:** Allow the paint to cure for 14 days before gently cleaning with a non-abrasive cleaner.
- **General Cleaning:** For routine cleaning, use warm water and soap.
- **Semi-Gloss Finish:** The semi-gloss finish is highly reflective and easy to clean with light scrubbing or wiping, making it suitable for high-humidity areas like bathrooms and kitchens.
- **Note on Imperfections:** Be aware that a semi-gloss finish can highlight surface imperfections.

## 6. SPECIFICATIONS

---

Detailed specifications for the PRESTIGE P500-P-SW6288 Interior Paint and Primer in One:

Attribute	Value
Brand	PRESTIGE
Model Name	Prestige Paint
Part Number	P500-P-SW6288
Color	SW6288-PCM (Comparable Match of Sherwin Williams Rosebud)
Finish Type	Semi-Gloss
Size	1 Gallon (128 Fluid Ounces)
Paint Type	Acrylic Latex

Coverage	250-400 sq. ft. per gallon
Item Weight	12 pounds
Product Dimensions	10.69 x 9.13 x 10.69 inches

## 7. TROUBLESHOOTING

---

This section addresses common issues that may arise during painting projects:

- **Poor Coverage / Thin Appearance:** Ensure proper surface preparation. Apply additional coats if necessary, allowing adequate drying time between coats. Some colors naturally require more coats for full opacity.
- **Uneven Color:** Thoroughly stir the paint before and during application. If using multiple cans, intermix them to ensure consistent color.
- **Paint Not Adhering:** Verify that the surface was properly cleaned, free of dirt, grease, and soap residue, and scuff-sanded if glossy. Ensure appropriate primers were used for new wood, metal, or stained surfaces.
- **Visible Imperfections:** Semi-gloss finishes can highlight surface flaws. Ensure all cracks and holes are patched and sanded smooth before painting.

## 8. WARRANTY INFORMATION

---

Prestige Paints' interior and exterior paint, when applied according to all label directions on a properly prepared surface, is warranted for a lifetime. This warranty excludes failures due to structural defects, failure of previous paint, or deterioration of the underlying surface.

If for any reason this paint fails to perform according to the above warranty, return the container with the receipt to the store where purchased for replacement paint, or at your option, a refund of the purchase price. This warranty does not include labor or the cost of labor for paint application or removal. This warranty provides specific legal rights, and you may have other rights which vary from state to state.

## 9. SUPPORT AND CONTACT
