› Tangkula Wall Mounted Medicine Cabinet with Mirror (Model AM0720HM) Instruction Manual

Tangkula AM0720HM

Tangkula Wall Mounted Medicine Cabinet with Mirror

Model: AM0720HM

1. INTRODUCTION

Thank you for choosing the Tangkula Wall Mounted Medicine Cabinet with Mirror. This manual provides essential information for the safe assembly, installation, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

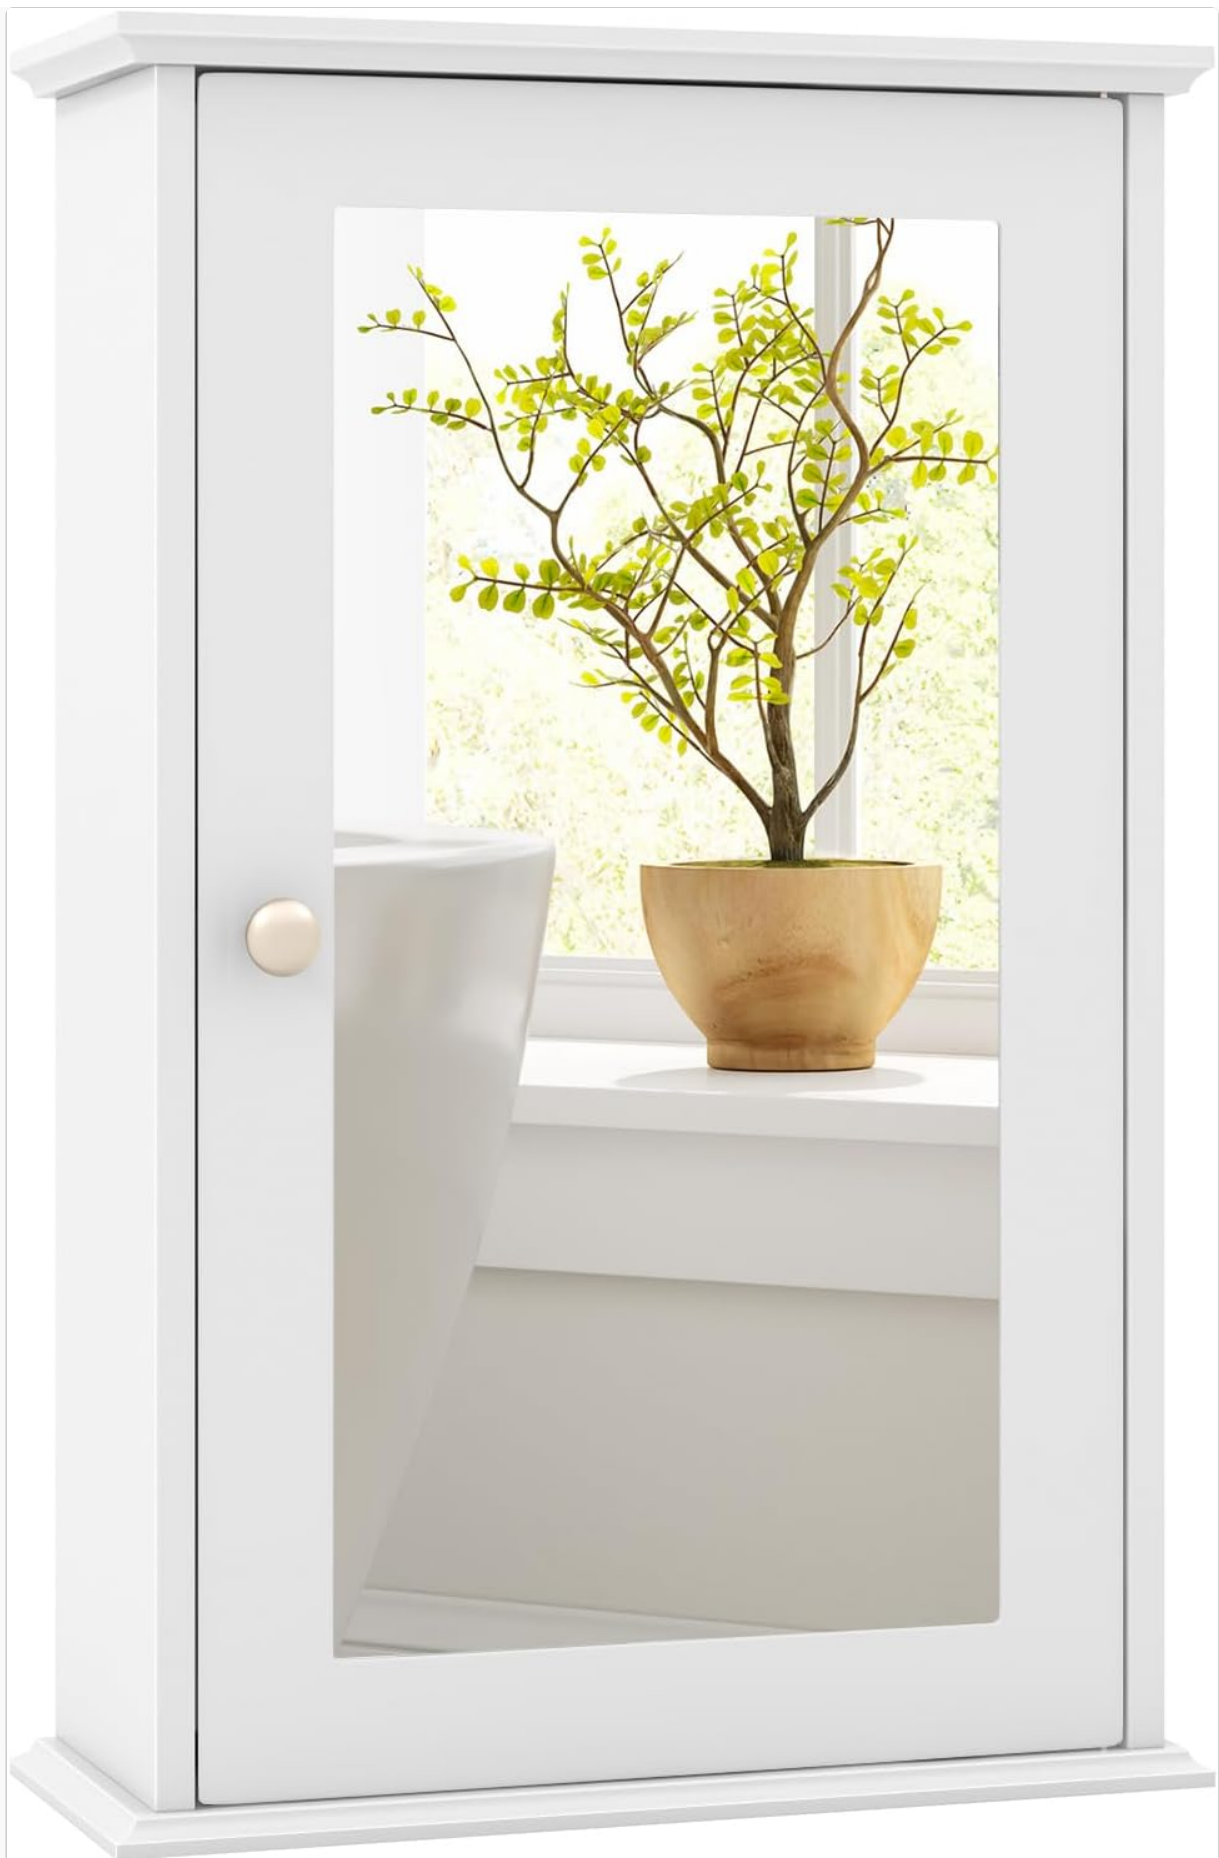

Image 1.1: The Tangkula Wall Mounted Medicine Cabinet with Mirror in a bathroom setting.

This cabinet is designed to offer both storage and a reflective surface, making it suitable for various rooms such as bathrooms, entryways, and living rooms. Key features include a high-definition mirror, flexible door installation, and an adjustable interior shelf.

2. SAFETY INFORMATION

- **Proper Installation:** Ensure the cabinet is installed correctly according to the provided instructions to prevent tipping and potential hazards.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 11 pounds (approximately 5 kg) for the cabinet. Overloading can lead to structural failure and injury.
- **Secure Mounting:** Always mount the cabinet to a sturdy wall stud or use appropriate wall anchors for secure installation.
- **Children and Pets:** Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- **Mirror Care:** Handle the mirror with care to avoid breakage. Clean with a soft, damp cloth and mild cleaner.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Tangkula Bathroom Medicine Cabinet
- 1 x User's Manual (this document)
- Assembly Hardware (screws, anchors, etc.)

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed instructions included in the package. Ensure you have the necessary tools (e.g., screwdriver, drill, level) before starting.

4.1 Product Dimensions

Product Dimension

Image 4.1: Product dimensions for planning installation space.

The cabinet measures approximately 13.5 inches (W) x 6 inches (D) x 21 inches (H). Refer to the dimension diagram for detailed measurements of internal compartments and mirror size.

4.2 Flexible Door Installation

This cabinet features a reversible door design, allowing you to choose whether the door opens to the left or the right. This decision should be made during the initial assembly steps when attaching the hinges.

Flexible Installation

This cabinet can be installed upside down, so you can decide which side the door opens

Image 4.2: Demonstrating the reversible door for left or right opening.

Consult the assembly instructions for specific steps on how to configure the door opening direction.

5. OPERATING INSTRUCTIONS

5.1 Adjustable Shelf

The cabinet includes an adjustable shelf that can be positioned at 3 different heights to accommodate items of varying sizes. To adjust the shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove it from its current support pegs.
3. Insert the support pegs into the desired set of holes on the cabinet sides.
4. Place the shelf onto the new support pegs, ensuring it is level and secure.

Ample Storage Space

3-position adjustable shelf for storing items with different heights

Towels

Shampoos

Cosmetics

Skincare Products

6. MAINTENANCE

To ensure the longevity and appearance of your Tangkula medicine cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals or abrasive materials that could damage the finish or mirror.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors. Spray onto a soft cloth, then wipe the mirror surface. Do not spray directly onto the mirror to prevent liquid from seeping into edges.
- **Moisture:** While the cabinet is designed for bathroom environments, avoid prolonged exposure to excessive moisture. Wipe up any spills immediately.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary to maintain stability.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your medicine cabinet.

- **Door does not close properly:** Check if the magnetic catch is aligned correctly. Ensure hinges are securely fastened and not bent. Adjust if needed.
- **Cabinet feels wobbly after installation:** Verify that all wall mounting hardware is securely tightened. Ensure the cabinet is mounted to a solid surface or appropriate wall anchors are used.
- **Shelf is not level:** Remove the shelf and ensure the support pegs are fully inserted into the corresponding holes on both sides of the cabinet.
- **Mirror appears distorted or scratched:** Inspect the mirror for any manufacturing defects or damage. If damaged upon arrival, contact customer support immediately. For minor smudges, clean as per Section 6.

8. SPECIFICATIONS

Feature	Detail
Brand	Tangkula
Model Number	AM0720HM
Material	Engineered Wood
Color	White
Product Dimensions (D x W x H)	6"D x 13.5"W x 21"H
Item Weight	9 Pounds
Weight Capacity Maximum	11 Pounds
