

Golvery J205

Golvery J205 Bluetooth 5.4 Audio Receiver Instruction Manual

Model: J205

1. INTRODUCTION

The Golvery J205 Bluetooth 5.4 Audio Receiver is designed to convert traditional wired audio systems into wireless Bluetooth-enabled systems. This device allows you to stream audio wirelessly from your smartphone, tablet, or other Bluetooth-enabled devices to your home stereo, car stereo, wired speakers, or wired headphones. It features Bluetooth 5.4 technology for stable connectivity and high-quality audio transmission.

2. PACKAGE CONTENTS

Please check the package for the following items:

- 1x Golvery J205 Bluetooth Receiver with 3.5mm cable
- 1x USB-C Charging Cable
- 1x RCA Audio Cable (3.5mm to 2RCA adapter)
- 1x User Manual

Package Included

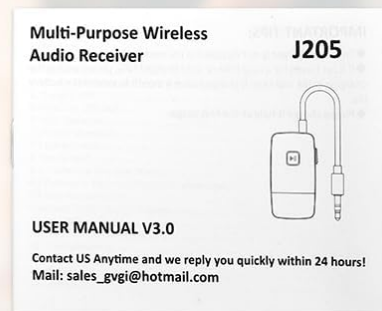

1x J205 Bluetooth Receiver
with 3.5mm cable

1x USB-C Charging Cable

1x RCA Audio Cable

1x User Manual

3. PRODUCT OVERVIEW

The Golvery J205 features a compact design with essential controls and ports for easy operation.

Image: Front view of the Golvery J205 Bluetooth receiver, showing the integrated 3.5mm audio jack, play/pause button, and included RCA adapter cable.

Device Components:

- **Power ON/OFF Slider:** Located on the side of the device to turn it on or off.
- **Play/Pause Button:** Central button for controlling audio playback.
- **3.5mm Audio Jack:** Integrated cable for connecting to audio input ports.
- **USB-C Charging Port:** For charging the internal battery.
- **LED Indicator:** Provides status information (pairing, connected, charging).

4. SETUP AND CONNECTION

4.1 Charging the Device

Before first use, fully charge the Golvery J205. Connect the included USB-C charging cable to the receiver's USB-C port and the other end to a USB power source (e.g., wall adapter, computer USB port). The LED indicator will show charging status and turn off when fully charged. A full charge takes approximately 2 hours and provides up to 20 hours of playtime.

4.2 Connecting to Your Audio System

The J205 can connect to various audio systems using its 3.5mm audio jack or the included RCA adapter.

1. **For 3.5mm AUX Input:** Plug the integrated 3.5mm audio jack of the J205 directly into the 3.5mm AUX input port of your car stereo, home stereo, wired speaker, or wired headphones.
2. **For RCA Input:** If your audio system has RCA (red and white) input ports, connect the included 3.5mm to 2RCA audio cable to the J205's 3.5mm jack, then connect the red and white RCA plugs to the corresponding input ports on your audio system.

4.3 Pairing with a Bluetooth Device

1. **Power On:** Slide the ON/OFF switch to the "ON" position. The LED indicator will flash, indicating it is in pairing mode.
2. **Activate Bluetooth:** On your smartphone, tablet, or other Bluetooth device, enable Bluetooth.
3. **Select Device:** Search for "J205" in the list of available Bluetooth devices and select it to connect.
4. **Confirmation:** Once connected, the LED indicator will stop flashing and remain solid, and you may hear an audible confirmation.

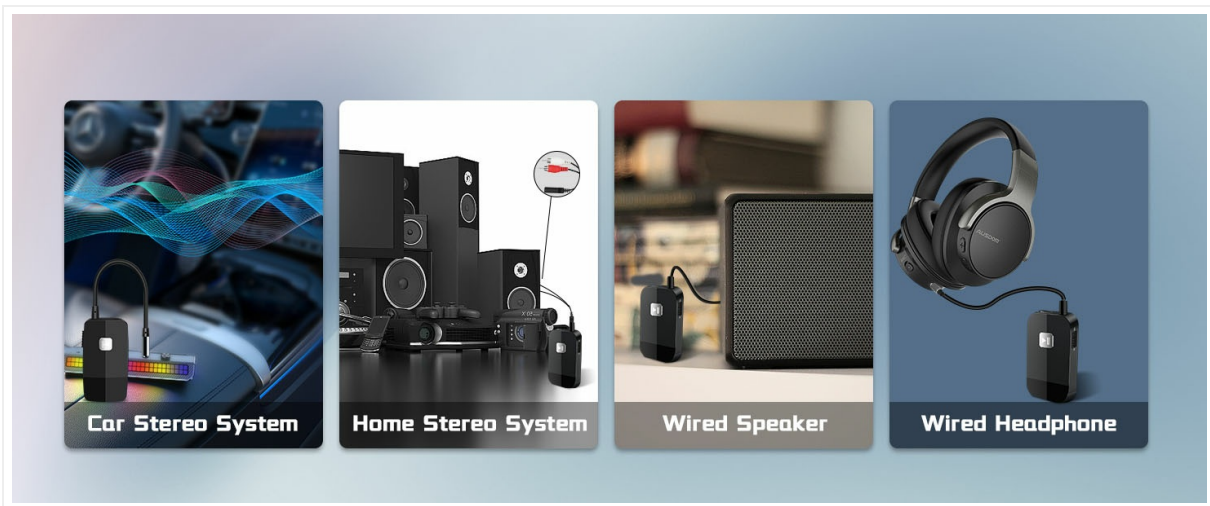

Image: A visual guide showing four steps: 1. Sliding the ON/OFF switch, 2. Plugging in the device, 3. Pairing with a smartphone, and 4. Enjoying music playback.

4.4 Dual Device Connection

The Golvery J205 supports connecting to two Bluetooth devices simultaneously. This allows you to switch between audio sources without re-pairing.

1. Pair the first device (e.g., Smartphone A) with the J205 as described in Section 4.3.
2. After Smartphone A is connected, disable Bluetooth on Smartphone A. The J205 will re-enter pairing mode.
3. Pair the second device (e.g., Tablet B) with the J205.
4. Enable Bluetooth on Smartphone A again. Both devices should now be connected to the J205.
5. To switch between devices, pause playback on the currently active device and start playback on the other.

Connects to 2 Bluetooth Devices

Image: The Golvery J205 Bluetooth receiver shown connected to both a tablet and a smartphone, illustrating its dual connection capability.

5. OPERATION

5.1 Power On/Off

- **Power On:** Slide the ON/OFF switch to the "ON" position. The device will automatically attempt to reconnect to the last paired device.
- **Power Off:** Slide the ON/OFF switch to the "OFF" position.

5.2 Music Playback

- **Play/Pause:** Press the central Play/Pause button once to play or pause music.

- All other music controls (volume, track skip) must be managed directly from your connected Bluetooth device (smartphone, tablet, etc.).

6. IMPORTANT NOTES AND SAFETY INFORMATION

- The Golvery J205 is a Bluetooth receiver only; it is **NOT** a Bluetooth transmitter. It cannot transmit audio from non-Bluetooth devices (like a TV or PC) to Bluetooth headphones or speakers.
- This device does **NOT** have a built-in microphone and therefore does not support hands-free calling.
- Avoid placing the device near other electronic devices that may cause interference.
- Handle the internal battery with care. Do not expose to extreme temperatures, direct sunlight, or high humidity.
- Do not attempt to disassemble or modify the device, as this will void the warranty and may cause damage.
- Keep out of reach of children.

7. TROUBLESHOOTING

Problem	Possible Solution
Device does not power on.	Ensure the ON/OFF slider is in the "ON" position. Charge the device using the USB-C cable.
Cannot pair with my Bluetooth device.	<p>Ensure the J205 is in pairing mode (LED flashing).</p> <p>Make sure Bluetooth is enabled on your source device.</p> <p>Move the J205 closer to your source device.</p> <p>Turn off and on both the J205 and your source device's Bluetooth.</p> <p>Clear previous Bluetooth connections on your source device if necessary.</p>
No sound or low sound output.	<p>Ensure the J205 is correctly connected to your audio system's input port.</p> <p>Check the volume levels on both your source device and your audio system.</p> <p>Verify the audio system is set to the correct input source (e.g., AUX, Line In).</p> <p>Ensure the J205 is fully charged.</p>
Audio cuts out or is unstable.	<p>Reduce the distance between the J205 and your Bluetooth source device.</p> <p>Remove any obstacles between the devices.</p> <p>Avoid strong interference sources (e.g., Wi-Fi routers, microwaves).</p>

8. SPECIFICATIONS

Model	J205
Bluetooth Version	5.4

Bluetooth Profile	A2DP
Connectivity	3.5mm Audio Jack, RCA (via adapter)
Battery Capacity	240mAh Lithium Polymer
Charging Time	Approx. 2 hours
Playtime	Up to 20 hours
Standby Time	Up to 400 hours
Dimensions (L x W x H)	1.97 x 1.06 x 0.31 inches (50 x 27 x 8 mm)
Weight	0.459 ounces (13 grams)
Material	Plastic

9. WARRANTY AND SUPPORT

Golvery products come with a standard manufacturer's warranty. For specific warranty details, technical support, or customer service inquiries, please refer to the contact information provided in the physical user manual included with your product or visit the official Golvery website. Please retain your proof of purchase for warranty claims.
