Taurus Compact 5 Liters

PUREIT Compact 5 Liter Water Purifier User Manual

Model: Compact 5 Liters

Brand: Taurus

PRODUCT OVERVIEW

The PUREIT Compact 5 Liter Water Purifier is designed to provide clean, safe drinking water directly from your tap. This innovative system utilizes a 4-step purification process to eliminate 99.9% of viruses, bacteria, and parasites, ensuring crystal clear, odorless, and natural-tasting water without the need for electricity or complex installation.

SETUP

The PUREIT Compact Water Purifier requires no assembly and no electricity, making it simple to set up in any location.

Unpacking and Initial Preparation

1. Carefully remove all components from the packaging.
2. Wash the transparent water container and the top lid with mild soap and water. Rinse thoroughly.
3. Ensure all internal components (microfiber filter, activated carbon filter, Germkill processor, clarifier) are securely in place as per the diagram.

OPERATING INSTRUCTIONS

The PUREIT Compact operates through a patented 4-step purification process.

Filling the Purifier

1. Open the top lid of the purifier.
2. Pour tap water into the upper chamber. The purifier has a capacity of 5 liters.
3. Close the lid securely.
4. Allow the water to pass through the purification system. The purified water will collect in the lower chamber, ready for consumption.

Purification Process

The PUREIT system employs four stages to ensure water purity:

- **1. Microfiber Filter:** Removes visible particles and impurities.
- **2. Activated Carbon Filter:** Eliminates pesticides and harmful parasites, and improves taste and odor.

- **3. Germkill Processor:** Targets and eliminates viruses and bacteria.
- **4. Clarifier:** Ensures the water is crystal clear and has a natural taste.

MAINTENANCE

Regular maintenance ensures the continued efficiency and longevity of your PUREIT Compact Water Purifier.

Cleaning

- Hand wash the transparent water container and the top lid regularly with mild soap and water.
- Do not use abrasive cleaners or harsh chemicals.
- Ensure all parts are completely dry before reassembling.

Filter Replacement

The PUREIT Compact is equipped with a filter life indicator to notify you when the purification kit needs replacement.

Image: Close-up of the PUREIT Compact's filter life indicator, showing "Purifying", "Buy Kit", and "Replace Kit" status lights.

- When the indicator shows "Replace Kit" (or similar warning), it is time to replace the purification kit.
- Refer to the product packaging or manufacturer's website for instructions on purchasing and replacing the specific purification kit for your model.
- Always use genuine PUREIT replacement kits to ensure optimal performance and water safety.

TROUBLESHOOTING

If you encounter any issues with your PUREIT Compact Water Purifier, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Slow water flow/purification.	Filter kit is nearing end of life or is clogged.	Check the filter life indicator. If it's red or indicating replacement, replace the purification kit. Ensure the microfiber filter is clean.

Problem	Possible Cause	Solution
Water has an unusual taste or odor.	Filter kit needs replacement or initial use taste.	For first-time use, discard the first few liters of purified water. If the issue persists, replace the purification kit. Ensure all components are correctly installed.
Water leakage.	Components not properly sealed or damaged.	Check that all parts, especially the filter components and the lid, are securely and correctly assembled. Inspect for any visible cracks or damage.

SPECIFICATIONS

Feature	Detail
Model	Compact
Capacity	5 Liters
Dimensions (L x W x H)	25 cm x 24 cm x 49 cm
Weight	3 Kilograms
Material	Plastic
Color	White
Assembly Required	No
Power Source	None (Non-electric)
Purification Stages	4 (Microfiber, Activated Carbon, Germkill, Clarifier)

WARRANTY AND SUPPORT

Warranty Information

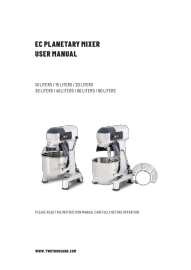

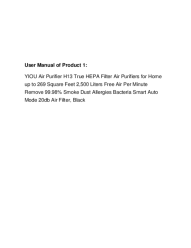

The PUREIT Compact Water Purifier comes with a **1-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims.

Customer Support

For any questions, technical assistance, or warranty claims, please contact Taurus customer service. Refer to the product packaging or the official Taurus website for the most current contact information.

Note: The filter kit is a consumable item and its lifespan depends on water quality and usage. It is not typically covered under the main product warranty.
