2. FEATURES

- Made from durable polyethylene.
- Water-repellent.
- UV-resistant.
- Main dimensions approx. 150 x 70 x 110 cm (W x D x H).
- Also suitable for Tepro grill models: 1123, 1123N, 1124, 3137, 3146, 3148, 3149, 3153, 3169, 3170, 3176, 5716.

3. SETUP AND INSTALLATION

To install the grill cover, carefully unfold it and place it over your gas grill. Ensure the cover completely encloses the grill. The integrated elastic band in the hem helps secure the cover firmly in place, providing a snug fit and preventing it from being dislodged by wind.

4. USAGE

The Tepro Universal Gas Grill Cover is intended for outdoor use to protect your gas grill. It provides protection against rain, dust, dirt, and UV radiation. Always ensure the grill is completely cool before covering it.

5. MAINTENANCE

To clean the grill cover, wipe it with a damp cloth and mild soap. Rinse thoroughly and allow it to air dry completely before folding and storing. For storage, fold the cover neatly to prevent creases and store it in a dry place away from direct sunlight when not in use.

This video provides a closer look at the Tepro Universal Gas Grill Cover, demonstrating how to properly fold and secure it using the integrated straps and drawstring for compact storage.

6. SAFETY WARNING

To maintain the UV protection properties of the cover, avoid prolonged exposure to direct sunlight when the cover is not in use or when storing it. Always ensure the grill is completely cool before applying the cover to prevent damage to the cover material.
