# Hatchimals COLLEGGtibles Season 1 2-Pack + Nest Instruction Manual

Model: 6034163

## INTRODUCTION

---

Welcome to the world of Hatchimals COLLEGGtibles! This manual provides essential information for the Hatchimals COLLEGGtibles Season 1 2-Pack + Nest. Inside, you will find instructions on how to hatch your COLLEGGtibles and care for your new friends. These miniature, adorable creatures come hidden inside speckled eggs, waiting for your touch to hatch.

## PRODUCT OVERVIEW

---

The Hatchimals COLLEGGtibles Season 1 2-Pack + Nest includes:

- Two (2) Hatchimals COLLEGGtibles Season 1 Eggs
- One (1) Collector's Nest

## SETUP: HATCHING YOUR COLLEGGTIBLES

Follow these steps to hatch your Hatchimals ColLEGGtibles:

1. **Hold the Egg:** Gently hold one of the speckled eggs in your hands.
2. **Rub the Heart:** Locate the heart symbol on the egg. Rub the heart with your thumb or finger. Your body heat will help the heart change color.
3. **Watch for Color Change:** Continue rubbing until the heart changes from purple to pink. This indicates that your ColLEGGtible is ready to hatch.
4. **Press to Crack:** Once the heart is pink, gently press on the eggshell to crack it open. You may need to apply a small amount of pressure.

5. **Reveal Your ColLEGGtible:** Carefully peel away the shell to reveal your new Hatchimals ColLEGGtible!

Each egg contains a unique ColLEGGtible. Keep the bottom part of the eggshell to use as a small display stand for your figure.

## OPERATING: PLAYING WITH YOUR COLLEGGTIBLES

---

Once hatched, your ColLEGGtibles are ready for play and display. You can:

- **Collect:** There are over 70 unique ColLEGGtibles in Season 1, including ultra-rare and special edition figures.
- **Display:** Use the included nest or the bottom half of the eggshell to display your figures.
- **Trade:** Connect with other collectors to trade and complete your collection.

Refer to the collector's checklist and map (if included in your packaging) to track your collection and learn more about Hatchtopia.

## MAINTENANCE

---

To ensure the longevity of your Hatchimals ColLEGGtibles:

- **Cleaning:** Wipe figures and nests with a soft, slightly damp cloth. Do not submerge in water or use harsh cleaning agents.
- **Storage:** Store ColLEGGtibles and their nests in a clean, dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

---

**Problem: The egg heart does not change color.**

**Solution:** Ensure you are rubbing the heart firmly with your thumb or finger to generate enough warmth. Cold hands may require more rubbing time. If the room temperature is very low, try warming your hands first.

**Problem: The egg is difficult to crack.**

**Solution:** After the heart turns pink, apply gentle, consistent pressure to the eggshell. The shell is designed to crack, but excessive force is not required. If it's still difficult, try pressing on different points around the heart.
