PRODUCT OVERVIEW

Familiarize yourself with the components and controls of your TOORUN M26 Bluetooth Earpiece.

Figure 2: Key components and controls of the M26 Earpiece.

- **Multi-function Button:** Used for power on/off, pairing, answering/ending calls, and activating voice assistant.
- **Volume Buttons:** Adjusts audio volume.
- **Receiver:** The speaker that delivers audio to your ear.
- **Charging Port:** Micro USB port for charging the device.
- **LED Indicator:** Displays device status (e.g., charging, pairing, connected).
- **Microphone (MIC):** Captures your voice for calls and voice commands.

SETUP

1. Charging the Earpiece

Before first use, fully charge the earpiece. Connect the provided Micro USB cable to the charging port on the earpiece and the other end to a USB power source. The LED indicator will show charging status and turn blue when fully charged. A full charge takes approximately 1.5 hours and provides up to 13 hours of continuous music playback.

2. Pairing with a Single Device

1. Ensure the earpiece is turned off.
2. Press and hold the Multi-function Button for 5-8 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your mobile device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "TOORUN M26" from the list of found devices.

5. Once connected, the LED indicator will flash blue slowly, and you will hear a "Connected" voice prompt.

3. Pairing with Two Bluetooth Devices (Multipoint Connection)

The TOORUN M26 supports connecting to two Bluetooth devices simultaneously.

1. First, pair the earpiece with your **first** mobile device following the "Pairing with a Single Device" steps above.
2. After successful pairing, turn off both the Bluetooth earpiece and the Bluetooth function on your first mobile device.
3. Turn on the earpiece again (long press the Multi-function Button for 5-8 seconds to enter pairing status).
4. Pair the earpiece with your **second** mobile device as you would a single device.
5. Once the second device is connected, turn on the Bluetooth function of your first mobile device. The earpiece will automatically reconnect to the first device.
6. Both mobile devices are now connected to the earpiece.

Voice Prompts

The earpiece provides audio notifications for various statuses:

- "Battery high/Medium/Low"
- "Power on/off"
- "Pairing"
- "Connected/Disconnected"

MAINTENANCE

To ensure the longevity and optimal performance of your TOORUN M26 Bluetooth Earpiece, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the earpiece. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the earpiece in a cool, dry place away from extreme temperatures and direct sunlight.
- **Water Exposure:** The earpiece is not water-resistant. Avoid exposure to water, rain, or excessive moisture.
- **Charging:** Use only the provided charging cable or a certified Micro USB cable. Do not overcharge the device.
- **Ear Cushions/Hooks:** Regularly check and clean the silicone ear cushion and ear hooks. Replace if damaged for comfort and hygiene.
