Sluban M38 B0323 Limousine Building Blocks

Instruction Manual

Introduction Safety Package Contents Assembly Operation Maintenance Troubleshooting Specifications Support

1. Introduction

Thank you for choosing the Sluban M38 B0323 Limousine building block set. This manual provides detailed instructions for assembling and maintaining your new toy. Designed for creative play, this set allows you to construct a detailed limousine model using 135 high-quality ABS plastic pieces. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable building experience.

2. Safety Information

Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all users, especially those under the recommended age range.
- **Material Safety:** The building blocks are made from ABS plastic, which is a safe and durable material.
- **Proper Use:** Do not put building blocks in the mouth or nose.
- **Storage:** Store all pieces in a safe place away from young children when not in use.

3. Package Contents

Before starting assembly, please verify that all components are present in the package:

- 135 x Sluban M38 B0323 Limousine Building Blocks (various shapes and colors)
- 1 x Instruction Manual (this document)

If any parts are missing or damaged, please refer to the 'Troubleshooting' section for assistance.

4. Assembly Instructions

Follow these steps to assemble your Sluban M38 B0323 Limousine:

1. **Preparation:** Unpack all building blocks and sort them by color and shape. This will make it easier to locate specific pieces during assembly.
2. **Follow the Illustrated Steps:** Refer to the included printed instruction booklet for detailed, step-by-step diagrams. Each step will show which pieces to connect and where.
3. **Base Construction:** Begin by constructing the base chassis of the limousine. Ensure all connections are firm.
4. **Interior and Seating:** Build the interior components, including the seating and driver's area.
5. **Body Panels and Roof:** Attach the side body panels and the roof sections. The roof is designed to be removable for access to the interior.

5. Operation and Play

The Sluban M38 B0323 Limousine is designed for imaginative play. Once assembled, you can:

- **Roll the Vehicle:** The wheels are designed to roll smoothly on flat surfaces.
- **Open and Close Doors:** If applicable, certain parts like doors may be designed to open and close, enhancing playability.
- **Removable Roof:** The roof section can be removed to access the interior, allowing for placement of figures or other small accessories.
- **Combine with Other Sets:** Sluban building blocks are compatible with other major building block toy brands, allowing for expanded creative possibilities.

6. Maintenance

To ensure the longevity and cleanliness of your Sluban M38 B0323 Limousine:

- **Cleaning:** Wipe the building blocks with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Drying:** Allow all parts to air dry completely before storing.
- **Storage:** Store the assembled model or individual blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.

7. Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Carefully check the packaging and surrounding area. If a piece is genuinely missing, please contact Sluban customer support.
- **Loose Connections:** If parts do not connect firmly, ensure they are aligned correctly and apply gentle, even pressure. Sometimes, re-assembling a section can resolve looseness.
- **Difficulty Following Instructions:** Review the instruction diagrams carefully. If a step is unclear, try looking at the subsequent steps for context.
