Operating Instructions

Snappy Dressers is designed for 1 to 10 players, ages 7 and up. The core mechanic of the game revolves around identifying matches between cards.

Core Gameplay Concept: Matching

Every card in the Snappy Dressers deck shares exactly one matching characteristic with every other card. These characteristics fall into three categories:

- **Animal Type:** Two cards may feature the same animal character (e.g., two foxes).
- **Clothing Color:** Two different animal characters may be wearing the same color shirt, pants, or other clothing item.
- **Held Item:** Two different animal characters may be holding the same object (e.g., a balloon, a bouquet, a teddy bear).

Players must quickly identify these matches to win rounds or collect cards, depending on the game variation being played.
