SETUP

Game Cartridge Installation

To begin playing Mario Kart 8 Deluxe, insert the game cartridge into your Nintendo Switch console.

1. Ensure your Nintendo Switch console is powered off or in sleep mode.
2. Open the game card slot cover located on the top right side of the Nintendo Switch console.
3. Insert the Mario Kart 8 Deluxe game cartridge with the label facing the same direction as the console screen until it clicks into place.
4. Close the game card slot cover.
5. Power on your Nintendo Switch console. The game icon will appear on the HOME Menu.

MAINTENANCE

Game Cartridge and Console Care

Proper care ensures the longevity of your game and console.

- Keep the game cartridge clean and free from dust. Store it in its case when not in use.
- Avoid touching the metal connectors on the cartridge.
- Do not expose the game cartridge or console to extreme temperatures or direct sunlight.

- Clean the Nintendo Switch console screen with a soft, dry cloth.

TROUBLESHOOTING

Common Issues and Solutions

Game Not Loading:

- Ensure the game cartridge is fully inserted into the console. Remove and reinsert it if necessary.
- Check if the game card slot is clean.
- Restart the Nintendo Switch console.
- Ensure your console's system software is up to date.

Controls Not Responding:

- Verify that your Joy-Con controllers or Pro Controller are properly connected and charged.
- Recalibrate your controllers through the Nintendo Switch system settings.
- Check for any physical obstructions or damage to the controllers.

Game Freezes or Crashes:

- Close the game and restart it.
- Perform a system restart of your Nintendo Switch console.
- If the issue persists, check for available game updates.
