› GreenForest Dining Chairs Set of 4 Instruction Manual (Model: CHARLTON VINTAGE)

## GreenForest CHARLTON VINTAGE

# GreenForest Dining Chairs Set of 4 Instruction Manual

Model: CHARLTON VINTAGE

## 1. INTRODUCTION

Thank you for choosing GreenForest Dining Chairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new dining chairs. These chairs feature a mid-century modern design with washable PU leather upholstery and sturdy metal legs, designed for comfort and durability.

## 2. SAFETY INFORMATION

---

Please read and adhere to all safety guidelines to prevent injury or damage.

- Always follow the assembly instructions carefully to ensure the chair is assembled correctly and safely.
- Do not exceed the maximum weight recommendation of **250 pounds (113 kg)** per chair to prevent any safety hazards.
- Keep small parts away from children during assembly.
- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten as necessary.
- Avoid standing on the chairs.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please

contact GreenForest customer support.

| Component                 | Quantity (per chair) |
|---------------------------|----------------------|
| Chair Seat (Upholstered)  | 1                    |
| Leg Frame (Pre-assembled) | 1                    |
| Screws / Bolts            | 4                    |
| Allen Wrench (Hex Key)    | 1                    |

### Ergonomic Design with Curved Shape:

Fit your waist and reduce the pressure on your back

### Solid Metal Legs:

Reinforced steel frames that can hold up to 300 pounds

## 4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is designed to be straightforward, typically taking about 15 minutes per chair.

1. Carefully unpack all components and ensure they match the package contents list.

2. Place the chair seat upside down on a soft, clean surface to prevent scratches.
3. Align the pre-assembled leg frame with the screw holes on the underside of the chair seat.
4. Insert the four screws into the designated holes and tighten them using the provided Allen wrench. Ensure all screws are fully tightened for stability.
5. Turn the chair upright. Gently press down on the seat to ensure it is stable and does not wobble. If wobbling occurs, re-check all screw connections.

## 5. OPERATING INSTRUCTIONS

These dining chairs are designed for indoor use in dining rooms, kitchens, living rooms, guest rooms, and study areas. They are suitable for adult use.

- Ensure the chair is placed on a stable, level surface before sitting.
- The maximum weight capacity for each chair is **250 pounds (113 kg)**. Do not exceed this limit.
- The ergonomic curved design of the backrest is intended to provide comfortable support.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your GreenForest dining chairs.

- **Cleaning:** The PU leather upholstery is washable and easy to clean. Wipe spills immediately with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Protection:** The chairs are equipped with non-slip foot pads to prevent scratches on hard floors and reduce slippage.

## Only 1 Step Finish The Installation

Image 6.1: Demonstration of cleaning the waterproof PU leather surface.

## 7. TROUBLESHOOTING

Most common issues can be resolved with simple checks.

- **Wobbling Chair:** If the chair wobbles after assembly, ensure all screws connecting the leg frame to the seat are fully and evenly tightened. Loosen slightly, adjust the chair on a flat surface, then re-tighten.
- **Scratches on Floor:** Ensure the non-slip foot pads are intact and properly positioned on the bottom of each leg. Replace if worn.

## Customization Option

The metal legs of the chairs can be painted to match your desired aesthetic. If you wish to change the color, you may spray paint the wood-finish metal legs with a suitable paint for metal surfaces.
