Best Choice Products 9-Cube Storage Organizer User Manual

Model: SKY2849

INTRODUCTION

Thank you for choosing the Best Choice Products 9-Cube Storage Organizer. This versatile and customizable storage unit is designed to help you organize and display your belongings efficiently in various rooms of your home. With its sturdy construction and adaptable design, it serves as an excellent solution for books, decor, toys, and even as a media stand. This manual provides essential information for safe assembly, proper use, and maintenance of your new storage organizer.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use.

- Always assemble the unit strictly according to the provided instructions to ensure structural integrity and stability.
- Do not exceed the maximum weight capacity of **275 pounds (124.7 kg)** for the entire unit. Distribute weight evenly across the shelves.
- This product is intended for *residential use only*. It is not designed for commercial or industrial applications.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Ensure the unit is placed on a flat, stable, and level surface to prevent tipping.
- If using as a media stand, ensure the television's weight and dimensions are within the recommended limits (up to 32 inches wide).

SETUP AND ASSEMBLY

The Best Choice Products 9-Cube Storage Organizer is designed for straightforward assembly, typically taking around 30 minutes. An assembly guide is included with your product.

Required Tools (Not Included):

- Phillips head screwdriver
- Hammer (optional, for back panels)

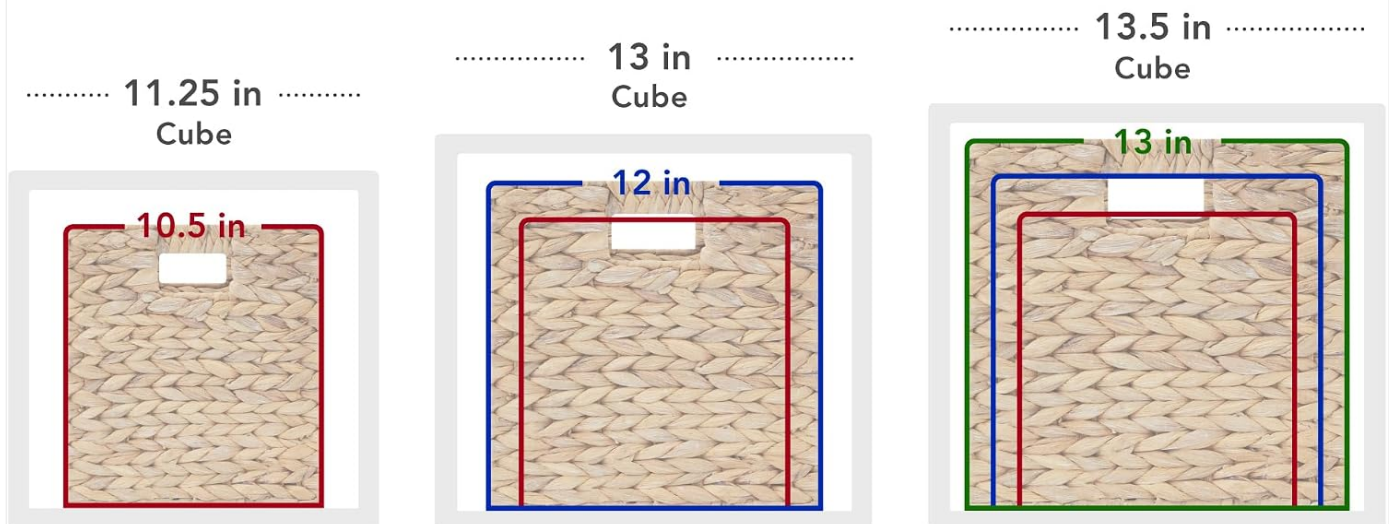

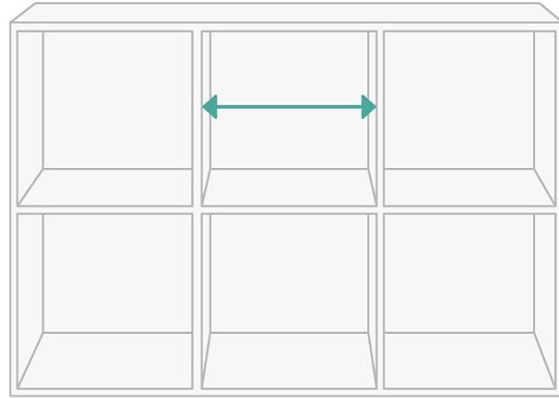

Assembly Steps:

1. **Step 1: Arrange and Secure Inner Shelves.** Begin by connecting the internal shelf pieces to form the cube structure. Ensure all connections are secure.
2. **Step 2: Attach Top, Bottom, and Sides.** Once the inner cube structure is complete, attach the top, bottom, and side panels using the provided hardware. Tighten all screws firmly but do not overtighten.
3. **Step 3: Attach Optional Back Panels.** The unit includes three removable back panels. These can be attached to any three cubes to create a closed-back look or left off for an open design. Secure them as desired.

How to Pair a BCP Basket with a BCP Storage Unit

Measure inside the shelf

**BCP storage units available in 11.25" and 13.5"*

MAINTENANCE

To ensure the longevity and appearance of your 9-Cube Storage Organizer, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or wet cloths, as these may damage the laminated finish.
- **Spills:** In case of spills, wipe them immediately with a dry cloth to prevent staining or damage to the engineered wood.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Placement:** Avoid placing the unit in direct sunlight or near heat sources, which can cause fading or warping over time.

TROUBLESHOOTING

If you encounter any issues with your 9-Cube Storage Organizer, consider the following:

- **Instability/Wobbling:** Ensure the unit is on a level surface. Check all assembly screws and tighten any that are loose. Verify that all panels are correctly aligned and fully inserted into their connections.
- **Damaged Parts:** If any parts arrived damaged or become damaged during assembly, do not proceed with assembly. Contact Best Choice Products customer support for assistance.
- **Missing Hardware:** If you are missing any hardware components, refer to the included assembly guide for a parts list and contact customer support for replacements.
