# Barcalounger Roscoe 15-8039 Pedestal Chair and Ottoman Instruction Manual

Model: 15-8039

## INTRODUCTION

---

Thank you for choosing the Barcalounger Roscoe 15-8039 Pedestal Chair and Ottoman. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before use and retain this manual for future reference.

## IMPORTANT SAFETY INSTRUCTIONS

---

- Assembly requires careful attention to avoid injury. Always follow the instructions provided.
- Be cautious when using the reclining mechanism and swivel base to prevent falls or tip-overs.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not allow children to play on or around the chair and ottoman unsupervised.
- Avoid standing on the chair or ottoman.
- Do not place hot items directly on the leather surface.
- Keep hands and feet clear of moving parts during reclining and swiveling operations.

## PACKAGE CONTENTS

---

Before beginning assembly, ensure all parts are present. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

## SETUP AND ASSEMBLY

---

Assembly is required for this product. It is recommended to have two adults for assembly. Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.

### Step 1: Unpacking

Carefully remove all components from the packaging. Check against the package contents list to ensure everything is present.

Step 2: Chair Base Assembly

Attach the chair's pedestal base to the main chair body. Ensure the swivel mechanism is correctly aligned. Secure with the provided bolts and washers using the appropriate tool from the hardware kit. Do not overtighten.

#### Step 4: Final Check

Once both the chair and ottoman are assembled, gently test their stability and functionality. Re-tighten any loose fasteners. Ensure the chair reclines and swivels smoothly.

### OPERATING INSTRUCTIONS

---

#### Reclining Function

To recline the chair, lean back gently while applying slight pressure to the backrest. The chair features a smooth reclining mechanism. To return to an upright position, lean forward. The chair has 2 reclining positions for optimal comfort.

#### Swivel Function

The chair is equipped with a 360-degree swivel base. To swivel, simply rotate the chair in the desired direction while seated. Ensure there are no obstructions around the chair's base.

#### Ottoman Use

The accompanying ottoman is designed to provide leg support while seated in the recliner. Position it comfortably in front of the chair. The ottoman also features a swivel base for ease of adjustment.

### CARE AND MAINTENANCE

### Leather Care

- Regularly dust the leather with a soft, dry cloth.
- For spills, blot immediately with a clean, absorbent cloth. Do not rub.
- Use a specialized leather cleaner and conditioner periodically to maintain the leather's appearance and suppleness. Follow the product manufacturer's instructions.
- Avoid direct sunlight and heat sources, which can cause the leather to fade or crack.

### Wood Frame Care

- Wipe wood surfaces with a soft, damp cloth. Dry immediately.
- Avoid using harsh chemicals or abrasive cleaners on the wood finish.

### General Maintenance

- Periodically check all bolts and fasteners to ensure they remain tight. Re-tighten as needed.
- Keep the area around the swivel base clean and free of debris to ensure smooth operation.

### TROUBLESHOOTING

| Problem                          | Possible Cause                                     | Solution                                                                                                                               |
|----------------------------------|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Chair does not recline smoothly. | Mechanism obstruction or loose connection.         | Check for any objects obstructing the reclining mechanism. Ensure all assembly bolts are secure.                                       |
| Chair or ottoman wobbles.        | Loose fasteners in the base.                       | Inspect and tighten all bolts connecting the base to the chair/ottoman. Ensure the chair is on a level surface.                        |
| Squeaking noise during swivel.   | Lack of lubrication or debris in swivel mechanism. | Clean the swivel base area. Apply a silicone-based lubricant to the swivel mechanism if accessible, following manufacturer guidelines. |
