Furmax WTOD

Furmax WTOD Distressed White Metal Dining Chairs - Instruction Manual

Model: WTOD

1. PRODUCT OVERVIEW

Thank you for choosing Furmax Metal Dining Chairs. These versatile chairs are designed for both indoor and outdoor use, offering a blend of classic style and robust functionality. Their distressed white finish adds a chic touch to any kitchen, dining room, bistro, or cafe setting.

- **Durable Construction:** Made from scratch and mar resistant steel with an excellent polish finish.
- **Versatile Use:** Suitable for indoor and outdoor environments.
- **Space-Saving Design:** Stackable for convenient storage.
- **Floor Protection:** Equipped with no-mar rubber feet to prevent sliding and scratching of hardwood floors.
- **Enhanced Stability:** Each chair features an X-brace under the seat for additional support.
- **Weather Resistant:** Double varnish painted for water and rust resistance.

2. SAFETY INFORMATION

- Assembly is required. Ensure all parts are securely fastened before use.
- Do not use the chairs on uneven surfaces to prevent tipping.
- Keep chairs away from direct heat sources to prevent damage to the feet or finish.
- Maximum weight recommendation: 330 pounds. Do not exceed this limit.

3. PARTS LIST

Please ensure all components are present before beginning assembly.

- Chair Frame (with seat and legs)
- Backrest
- Screws (for attaching backrest)

- Allen Wrench (for assembly)

4. SETUP AND ASSEMBLY

Follow these steps to assemble your Furmax Metal Dining Chairs:

1. Carefully unpack all components and verify against the parts list.
2. Place the chair frame (with seat and legs) on a soft, clean surface to prevent scratching.
3. Align the backrest with the designated attachment points on the chair frame.
4. Insert the provided screws into the holes and tighten them using the Allen wrench. Do not overtighten.
5. Ensure the X-brace under the seat is properly aligned and secured for maximum stability.
6. Once assembled, gently test the chair for stability before full use.

Stackable Design

Easy to storage the chairs and saving space for unused time

Figure 2: This image illustrates the key dimensions of the chair (13.8"W x 14.1"D x 17.7"H seat, 16.5" back height) and demonstrates its stackable design for efficient storage.

5. OPERATING INSTRUCTIONS

These chairs are designed for straightforward use:

- **Placement:** Suitable for use in kitchens, dining rooms, bistros, cafes, patios, and gardens.
- **Stacking:** For space-saving storage, multiple chairs can be stacked on top of each other. Ensure they are stacked carefully to avoid damage.
- **Floor Protection:** The no-mar rubber feet are designed to protect your floors. Avoid dragging chairs forcefully across rough surfaces to preserve the feet and floor.

Figure 3: Furmax Distressed White Metal Dining Chairs arranged around a wooden dining table in a kitchen setting, highlighting their suitability for dining areas.

Figure 4: Furmax Distressed White Metal Dining Chairs displayed in an outdoor patio environment, demonstrating their suitability for both indoor and outdoor use.

6. MAINTENANCE

To ensure the longevity and appearance of your chairs:

- **Cleaning:** Wipe clean with a damp cloth. The double varnish painted surface is water-resistant and easy to maintain. Avoid abrasive cleaners that may damage the finish.
- **Rust Prevention:** While rust-resistant, prolonged exposure to harsh outdoor elements may affect the finish over time. Consider covering chairs when not in use outdoors.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Figure 5: This detailed image highlights the chair's waterproof surface, which is easy to clean, along with the no-mar rubber feet that protect floors and the stable cross-brace for durability.

7. TROUBLESHOOTING

- **Wobbling:** If the chair wobbles, check that all screws are securely tightened. Ensure the chair is placed on a flat, even surface.
- **Scratches on Floor:** If the chair is scratching your floor, inspect the rubber feet for wear or damage. Replace if necessary.
- **Rust Spots:** For minor rust spots, gently clean the area and apply a rust-inhibiting paint if desired.

8. SPECIFICATIONS
