3. MAINTENANCE

3.1 Ink Cartridge Management

The Epson WorkForce Pro WF-4730 is designed exclusively for use with genuine Epson-brand cartridges. Other brands of ink cartridges, including compatible, remanufactured, refilled, or refillable options, are not supported and may not function properly or at all. Using non-genuine ink may also void your warranty.

Epson® Genuine Ink Promise

Epson is committed to delivering the highest quality and most reliable inks for your printing experience. Epson's Promise is backed by our outstanding Service & Support and Warranty Programs.

This Epson printer is designed to work only with
Epson Genuine Inks*.

The printer features Amazon Dash Replenishment. After activation, this service monitors your ink usage and automatically orders new cartridges when your ink levels are low, ensuring you never run out.

3.2 Firmware Updates

Epson periodically releases firmware updates to enhance security, improve performance, and fix minor bugs. These updates ensure the printer functions as designed. Please note that this printer is designed to work only with genuine Epson ink cartridges, and some updates may affect the functionality of third-party ink. Non-Epson branded or altered

Epson cartridges that functioned prior to a firmware update may cease to function afterward.

3.3 Cleaning

Regularly clean the exterior of the printer with a soft, damp cloth. For internal cleaning or print head maintenance, refer to the detailed instructions in the included instruction booklet or the printer's on-screen menu.

4. TROUBLESHOOTING

If you encounter issues with your Epson WorkForce Pro WF-4730, consider the following common solutions:

- **Printing Problems:** Ensure paper is loaded correctly, ink cartridges are properly installed, and the printer is connected to your computer or network. Check for any error messages on the printer's display.
- **Connectivity Issues:** Verify your Wi-Fi or Ethernet connection. For Wi-Fi, ensure the printer is within range of your router. For Epson Connect services, an internet connection is required.
- **Non-Genuine Ink:** If you are using non-Epson ink cartridges, they may not function correctly, especially after firmware updates. Epson recommends using only genuine Epson ink.
- **Software/Driver Issues:** Reinstall the printer drivers from the provided CD-ROM or the Epson support website.

For more detailed troubleshooting steps, consult the comprehensive instruction booklet included with your printer or visit the official Epson support website.
