Masterplug 80ft Cord Reel Instruction Manual

Model: OLA801114G4SL-US

1. SETUP

The Masterplug 80ft Cord Reel is designed for convenient and safe power distribution. Before first use, ensure the unit is placed on a stable, flat surface.

2. OPERATING INSTRUCTIONS

The Masterplug 80ft Cord Reel is equipped with features for safe and efficient operation.

2.1 Using the Power Outlets

The cord reel provides four (4) shuttered grounded power outlets (Figure 3) for connecting multiple appliances. Ensure that the total current draw of all connected devices does not exceed 13 amps.

2.2 Localized On/Off Switch

A localized on/off switch (Figure 3) allows you to control the power directly at the reel, providing convenience and safety, especially when the main power outlet is not easily accessible.

2.3 High Visibility Cable

The 14AWG cable is designed with high visibility (Figure 4) to enhance safety and reduce tripping hazards in various

work environments.

3. MAINTENANCE

Proper maintenance ensures the longevity and safe operation of your cord reel.

3.1 Winding the Cord

After each use, wind the cord back onto the reel using the winding handle. The integrated cord guide assists in tangle-free winding, keeping the cord neat and protected. Ensure the cord is fully wound before storage to prevent damage.

3.2 Cleaning and Storage

Keep the cord reel clean and free from dirt, dust, and debris. Store the unit in a dry place, away from extreme temperatures and direct sunlight, to preserve the integrity of the cable and housing.

4. TROUBLESHOOTING

This section addresses common issues you might encounter with your cord reel.

4.1 Safety Overload Circuit Breaker

The cord reel is equipped with a safety overload circuit breaker (Figure 3) that automatically cuts power in the event of an electrical overload. If power is cut, disconnect all devices from the outlets, press the red reset button on the reel, and then reconnect devices one by one to identify the cause of the overload. Do not bypass or tamper with the circuit breaker.
