SETUP AND INSTALLATION

Mounting hardware and a template are included for straightforward installation. Careful measurement and alignment are essential for proper mounting.

General Installation Steps:

- Select Location:** Choose the desired mounting location for each accessory on your wall.
- Position Template:** Securely tape the provided template to the wall at the chosen location. Ensure it is level and accurately positioned.
- Mark Drill Points:** Use the template to mark the precise drilling points on the wall.
- Drill Pilot Holes:** Drill pilot holes at the marked points. The size of the drill bit should match the wall anchors provided.
- Insert Wall Anchors:** Gently tap the wall anchors into the pilot holes until they are flush with the wall surface.
- Attach Mounting Brackets:** Align the mounting brackets with the installed wall anchors and secure them using the screws provided. Do not overtighten initially, allowing for minor adjustments.
- Mount Accessory:** Carefully attach the bath accessory to its corresponding mounting bracket. Ensure it is seated firmly and level.
- Tighten Screws:** Once the accessory is correctly positioned, tighten all screws to secure it in place.

Note: For the Towel Rack, which has four mounting points, it is particularly important to ensure the template is perfectly flat and aligned. Attaching the brackets slightly loosely at first can aid in making micro-adjustments before final tightening.

OPERATING AND USAGE

Each component of the bath set is designed for specific functions:

- **Robe Hook:** Use to hang bathrobes, towels, or other garments.
- **Towel Ring:** Ideal for holding hand towels or washcloths near the sink. The ring is designed to swing for convenience.
- **Toilet Paper Holder:** Insert a standard toilet paper roll onto the spindle. The slip-on/slip-off design allows for easy roll replacement.
- **Towel Bar:** Hang bath towels or larger hand towels for drying or display.
- **Towel Rack:** The upper shelf can be used to store folded towels, while the lower bar is suitable for hanging towels.

MAINTENANCE

To maintain the brushed nickel finish and ensure the longevity of your bath set, follow these guidelines:

- **Cleaning:** Clean regularly with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish.
- **Drying:** After cleaning, dry the surfaces immediately with a soft, dry cloth to prevent water spots.
- **Avoid Harsh Substances:** Do not allow acidic or corrosive substances (e.g., strong bathroom cleaners, hairspray, nail polish remover) to come into prolonged contact with the finish.

TROUBLESHOOTING

Installation Difficulties:

If you encounter difficulties during installation, particularly with the Towel Rack:

- **Template Alignment:** Ensure the template is taped down perfectly flat and level. Any slight misalignment can cause issues with the mounting brackets.
- **Bracket Adjustment:** When attaching the mounting brackets, secure them slightly loosely at first. This allows for minor adjustments to align the accessory before fully tightening all screws.
- **Verify Measurements:** Double-check all measurements and drill points before drilling to minimize errors.

If any parts are missing or damaged upon arrival, please contact customer support.

SPECIFICATIONS

Brand	Sheffield Home
Model	5 Piece Bath Set
Finish Type	Brushed Nickel
Material	Nickel
Number of Pieces	5
Item Weight	6.44 pounds (2.93 Kilograms)
