## STABILO 488/12-01

# STABILO pointMax Nylon Tip Writing Pen - Instruction Manual

MODEL: 488/12-01

Brand: STABILO

### 1. Introduction and Overview

---

The STABILO pointMax is a high-quality fineliner pen designed for precise writing, drawing, and sketching. Featuring a robust nylon tip and vibrant water-based ink, it offers a comfortable and consistent writing experience. This manual provides essential information on how to use, maintain, and troubleshoot your STABILO pointMax pens.

## 2. Key Features

- **Vibrant Color Range:** Available in 24 brilliant colors, ideal for organizing notes and creative projects.
- **Robust Nylon Tip:** Uniquely developed tip produces bold, crisp lines (0.8mm medium tip) for clear writing and drawing.
- **Fast-Drying Ink:** Water-based ink dries quickly, making it suitable for left-handed users.
- **Comfortable Grip:** Designed for excellent writing comfort, even during extended use.
- **Cap-Off Time:** Can remain uncapped for up to 24 hours without drying out.

Image 2.1: Close-up view of the 0.8mm nylon tip of the STABILO pointMax pen.

### 3. Setup

---

The STABILO pointMax pens are ready for immediate use. Simply remove the cap to begin writing or drawing. Ensure the cap is securely replaced after use to prevent the ink from drying out, especially if not used for extended periods, although the pen is designed for a long cap-off time.

### 4. Operating Instructions

---

To use your STABILO pointMax pen:

1. **Uncap the Pen:** Gently pull the cap off the pen. The cap features a click-off mechanism for secure closure.
2. **Write or Draw:** Hold the pen comfortably and apply light to moderate pressure to create lines. The 0.8mm medium tip is versatile for various tasks.
3. **Replace the Cap:** After use, firmly push the cap back onto the pen until you hear a click. This protects the tip and prolongs ink life.

## 5. Maintenance

---

- **Cap After Use:** Always replace the cap firmly after each use to prevent the ink from drying out.
- **Storage:** Store pens horizontally to ensure even ink distribution and prevent drying. Avoid extreme temperatures.
- **Cleaning:** If the pen tip accumulates dust or debris, gently wipe it with a damp cloth. Do not immerse the pen in water.

## 6. Troubleshooting

---

If you encounter issues with your STABILO pointMax pen, consider the following:

- **No Ink Flow:** Ensure the cap was replaced properly. If the pen has been uncapped for an extended period, the tip may have dried. Try gently scribbling on a scrap piece of paper to restart the flow.
- **Faint Lines:** This may indicate low ink levels. Replace the pen if the ink is depleted.
- **Tip Damage:** Avoid excessive pressure or dropping the pen, which can damage the nylon tip.

## 7. Specifications

---

<b>Brand</b>	STABILO
<b>Model Number</b>	488/12-01
<b>Ink Colour</b>	Assorted
<b>Number of Items</b>	12
<b>Point Type</b>	Medium
<b>Line Size</b>	0.8 mm
<b>Ink Base</b>	Water
<b>Material Type</b>	Plastic
<b>Special Features</b>	Eco Friendly, Lightweight, Non Toxic, Washable
<b>Item Weight</b>	105 Grams
<b>Item Dimensions</b>	14.6 x 13.5 x 1.7 Centimeters
