Nespresso VertuoPlus Deluxe

Nespresso VertuoPlus Deluxe Coffee and Espresso Machine User Manual

Model: VertuoPlus Deluxe (0132193500)

INTRODUCTION

This manual provides essential information for the safe and efficient operation of your Nespresso VertuoPlus Deluxe coffee and espresso machine. The VertuoPlus Deluxe is designed to brew a variety of single-serve coffee and espresso drinks with ease, utilizing patented Centrifusion extraction technology to read barcodes on Nespresso Vertuo capsules and automatically adjust brewing parameters for optimal results.

SETUP

1. Unpacking and Placement

Carefully remove all packaging materials. Place the machine on a stable, flat, and heat-resistant surface. Ensure adequate space around the machine for ventilation and access to the water tank.

2. Water Tank Installation

The VertuoPlus Deluxe features an extra-large 60 oz. water reservoir with an adjustable placement. You can position the water tank at the back or either side of the machine to best fit your countertop space.

ULTIMATE SIMPLICITY

- One touch brewing system
- Removable water tank
- Automatic capsule ejection and storage
- Automatic machine head open/close function

Image: Nespresso VertuoPlus Deluxe machine with its adjustable 60 oz water tank, illustrating flexible placement options and overall dimensions.

3. Initial Rinse

Before first use, perform an initial rinse cycle. Fill the water tank with fresh drinking water. Place a container under the coffee outlet. Close the machine head and press the brew button to run a cycle without a capsule. Repeat this process a few times to ensure the system is clean.

OPERATING INSTRUCTIONS

1. Power On

Ensure the machine is plugged into a 120 Volt power outlet. Press the brew button to turn on the machine. The light will blink as it heats up (approximately 15-20 seconds) and become steady when ready.

2. Insert Capsule

The machine features an automatic machine head open/close function. Gently push the lever to open the machine head. Insert a Nespresso Vertuo capsule into the capsule holder. The machine will automatically close the head once the capsule is correctly placed.

BLEND SPECIFIC BREWING

Automatically adapts brewing parameters to each capsule:

- Coffee size
- Temperature
- Pressure
- Brewing time

Designed for Nespresso Vertuo capsules only

Image: Nespresso VertuoPlus Deluxe machine highlighting its ultimate simplicity with one-touch brewing and automatic capsule handling.

3. Brew Coffee or Espresso

Place your desired cup under the coffee outlet. The machine's patented Centrifusion extraction technology reads the barcode on the capsule to automatically set the optimal brewing parameters (coffee size, temperature, pressure, and brewing time).

BREWS 4 CUP SIZES

ESPRESSO

Single

Double

COFFEE

5oz

8oz

Included with our machine: 12 capsules

Image: Nespresso VertuoPlus Deluxe machine demonstrating its blend-specific brewing capability by scanning the capsule barcode. Press the brew button once. The machine will begin brewing. It brews four cup sizes: 1.35 oz Espresso, 2.7 oz Double Espresso, 5.0 oz Gran Lungo, and 7.7 oz Coffee.

The machine is not dishwasher safe.

3. Descaling

Regular descaling is crucial for maintaining machine performance and coffee quality. Refer to the full user manual for detailed descaling instructions and recommended descaling solutions.

TROUBLESHOOTING

If you encounter any issues with your Nespresso VertuoPlus Deluxe machine, please refer to the comprehensive user guide provided with your product for detailed troubleshooting steps. Common issues may include:

- **No coffee flow:** Check water tank level, ensure capsule is correctly inserted, and clean the coffee outlet.
- **Leaking:** Ensure all removable parts (water tank, drip tray) are correctly seated. If leaking persists, consult the full user manual or customer support.
- **Machine not turning on:** Verify power connection.

For more complex problems, contact Nespresso customer support.

WARRANTY AND SUPPORT

Warranty Information

For detailed warranty information regarding your Nespresso VertuoPlus Deluxe machine, please refer to the warranty card included in your product packaging or visit the official Nespresso website. Warranty terms and conditions may vary by region.

Customer Support

Nespresso offers various benefits and support services for its customers, including unique coffee offerings, complimentary capsule recycling, and access to special offers. For assistance, product registration, or to explore the full range of Nespresso services, please visit [nespresso.com](https://www.nespresso.com) or contact Nespresso customer service directly.

RE-RE-RE-RECYCLE

All aluminium pods collected by Nespresso are recycled.

IT'S WHAT'S INSIDE THAT COUNTS

Nespresso pods are filled with freshly roasted ground coffee, and hermetically sealed with aluminium to protect the high-quality aroma and freshness over time.
