

Britax E1A268J

Britax Advocate ClickTight Convertible Car Seat Instruction Manual

Model: E1A268J

INTRODUCTION

The Britax Advocate ClickTight Convertible Car Seat is designed to provide safety and comfort for your child from infancy through toddlerhood. This car seat features the patented ClickTight Installation System, making secure installation straightforward. It incorporates multiple layers of side impact protection and the SafeCell Impact Protection system for enhanced safety.

Key features include:

- **Easy Installation:** Patented ClickTight Installation System simplifies car seat installation using the vehicle's seat belt.
- **Adjustable Harness:** Quick-adjust 14-position harness with Click & Safe Snug Indicator ensures proper harness tightness without rethreading.
- **Advanced Safety:** Features 3 layers of side impact protection, quick-adjust head protection, a steel frame, and an impact-absorbing base.
- **Versatile Use:** Supports rear-facing use for children weighing 5-40 pounds and forward-facing use for children weighing 20-65 pounds, up to 49 inches in height.
- **Comfort:** Plush foam padding and fabric, along with 7 recline positions, provide a comfortable experience for your child.

SAFETY FEATURES

The Britax Advocate ClickTight car seat is engineered with multiple safety technologies to protect your child.

- **SafeCell Impact Protection:** This system includes a steel frame, an energy-absorbing base, a V-shaped tether to minimize seat rotation, and staged-release stitches that slow and reduce forward movement during a crash.
- **3 Layers of Side Impact Protection:** A deep foam-lined shell, side cushions, and head protection work together to shield your child from the most severe types of collisions.

- **5-Point Safety Harness:** Securely holds your child in place, distributing crash forces across the strongest parts of the body.

Safety, Comfort & Convenience

INSTALLATION

The ClickTight Installation System simplifies car seat installation, making it as easy as buckling a seat belt. Always refer to your vehicle's owner's manual and the car seat's full instruction manual for complete installation details.

ClickTight Installation Steps:

1. **Open:** Push the dial, turn, and lift the car seat's front panel to open the ClickTight system.
2. **Thread & Buckle:** Route the vehicle's seat belt through the designated path and buckle it.
3. **Close:** Close the car seat's front panel until it clicks securely into place.

INSTALL WITH CONFIDENCE **EVERY TIME.**

ADJUSTMENTS

Proper adjustment of the car seat's harness and recline is crucial for your child's safety and comfort.

Harness Adjustment:

The 14-position quick-adjust harness allows you to easily change the harness height as your child grows, without the need for rethreading. The Click & Safe Snug Harness Indicator provides an audible click when the harness is tightened to the proper snugness.

Image: The car seat's headrest and harness can be adjusted to 14 different positions to accommodate your growing child.

Recline Adjustment:

The car seat offers 7 recline positions to ensure optimal comfort and proper angle for your child, whether rear-facing or forward-facing. Easy-read level indicators assist in achieving the correct recline angle for safe installation.

Safety, Comfort & Convenience

USAGE GUIDELINES

Adhere to the following weight and height guidelines for safe use of your Britax Advocate ClickTight car seat:

- **Rear-Facing:** For children weighing 5 to 40 pounds.
- **Forward-Facing:** For children weighing 20 to 65 pounds, and with a standing height of 49 inches or less.

Rear-Facing
5 - 40lbs

Forward-Facing
20 - 65lbs

CARE AND MAINTENANCE

Regular cleaning and maintenance will help prolong the life of your car seat and ensure continued hygiene for your child.

- **Fabric Cleaning:** The plush foam padding and fabric covers are designed for easy cleaning. Refer to the full instruction manual for specific washing instructions, typically machine washable on a gentle cycle with cold water.
- **Harness and Buckle:** Wipe the harness straps with a damp cloth. Do not machine wash or immerse harness straps in water, as this can weaken them. Clean the buckle by rinsing with warm water.
- **Frame Cleaning:** Wipe the car seat frame with a damp cloth and mild soap. Avoid using abrasive cleaners or solvents.
