SETUP

Package Contents

- BRISA VW Collection T1 Bus Bluetooth Speaker
- USB Charging Cable
- User Manual

Initial Charging

Before first use, fully charge the speaker. Connect the provided USB charging cable to the USB-C charging port located at the rear of the speaker and to a compatible USB power source. The charging time is approximately 3 hours.

- Scale 1:20 / Weight 390 g
- up to 5h playtime

Official Licensed
Product

Power On/Off

To power on the speaker, locate the power button at the rear of the Bus and press it. To power off, press the button again.

OPERATION

Bluetooth Pairing

1. Ensure the speaker is powered on.
2. The speaker will automatically enter Bluetooth pairing mode, indicated by blinking LED headlights.
3. On your mobile device (smartphone, tablet), enable Bluetooth and search for available devices.
4. Select "VW T1 Bus Bluetooth Speaker" from the list of devices.
5. Once connected, the LED headlights will stop blinking and remain steadily lit.

The Bluetooth range is approximately 10 meters (30 feet). For optimal connection, keep your device within this range.

AUX Audio Connection

For devices without Bluetooth, you can use the 3.5mm AUX audio jack located at the rear of the speaker. Connect an AUX cable (not included) from your audio source to the speaker's AUX input.

Battery Life

The speaker provides an operating time of up to 57 hours on a full charge, depending on usage volume and conditions.

MAINTENANCE

Care Instructions

- Keep the speaker away from moisture and direct water exposure. It is not water-resistant.
- Avoid extreme temperatures.
- Do not drop or subject the speaker to strong impacts.

Cleaning

Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.

TROUBLESHOOTING

No Power

- Ensure the speaker is fully charged. Connect it to a power source using the USB charging cable.
- Verify the power button is pressed firmly.

Cannot Connect via Bluetooth

- Make sure the speaker is in pairing mode (blinking LED headlights).
- Ensure Bluetooth is enabled on your mobile device.
- Move your device closer to the speaker (within 10 meters).
- Turn off and on both the speaker and your device's Bluetooth, then try pairing again.
- If previously paired, try forgetting the device on your phone and re-pairing.

No Sound

- Check the volume levels on both the speaker and your connected device.
- Ensure the speaker is properly paired via Bluetooth or connected via AUX cable.
- If using AUX, ensure the cable is fully inserted into both the speaker and the audio source.
