PLUS PLUS Bunny Mini Maker Tube Instruction Manual

Model: 856912006568

INTRODUCTION

The PLUS PLUS Bunny Mini Maker Tube is a creative building set designed to inspire imagination and develop fine motor skills. This set contains 70 interlocking pieces that allow you to construct a 3D bunny and other creative designs. It is suitable for ages 5 and up.

WHAT'S INCLUDED

Your PLUS PLUS Bunny Mini Maker Tube includes:

- 70 Plus-Plus interlocking pieces in various colors (Pastel Green, Orange, Pastel Pink, Pastel Blue, White).
- Step-by-step instructions for building the bunny model.

Description: This image displays the contents of the Bunny Mini Maker Tube, highlighting the different colors of Plus-Plus pieces included and confirming the total count of 70 pieces. A young boy is shown proudly displaying a completed bunny model.

ASSEMBLY INSTRUCTIONS

Follow these general steps to assemble your Plus-Plus creations. Refer to the included instruction sheet for specific steps

to build the bunny model.

1. **Understand the Piece:** Each Plus-Plus piece is a single shape, resembling two connected plus signs. They are designed to interlock in various ways to create 2D and 3D structures.
2. **Connecting Pieces:** To connect two pieces, align the "plus" shape of one piece with the open slot of another. Gently push them together until they click securely. Pieces can be connected side-by-side, end-to-end, or stacked.
3. **Building in 2D:** For flat designs, connect pieces along their edges to form patterns and shapes. This is ideal for creating pixel-art like images.
4. **Building in 3D:** To create three-dimensional objects, stack and interlock pieces at angles. Experiment with different orientations to achieve desired forms. The unique shape allows for curves and complex structures.
5. **Following the Bunny Instructions:** The included instruction sheet provides detailed, visual steps for constructing the bunny and egg. Identify the required colors and quantities for each step and connect them as shown.
6. **Disassembly:** To take apart your creations, gently pull the pieces apart. Avoid excessive force to prevent damage.

CARE AND MAINTENANCE

- **Cleaning:** Plus-Plus pieces can be cleaned with mild soap and water. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.

- **Storage:** Store pieces in the original tube or a clean, dry container to prevent loss and keep them free from dust.
- **Handling:** While durable, avoid bending or twisting pieces excessively, as this may weaken the plastic over time.

TROUBLESHOOTING

Problem	Solution
Pieces do not interlock easily.	Ensure pieces are aligned correctly. Apply gentle, even pressure. If pieces are dirty, clean them as per the "Care and Maintenance" section.
Assembled model is unstable.	Double-check all connections to ensure pieces are fully interlocked. Refer to the instruction sheet to verify the correct assembly sequence and structural integrity.
Missing pieces.	Carefully check the packaging and play area. If pieces are genuinely missing from a new set, contact customer support.
