Pawhut D51-0690531

Pawhut D51-069 Two-Story Wooden Rabbit Hutch

INSTRUCTION MANUAL

1. PRODUCT OVERVIEW

The Pawhut D51-069 Two-Story Wooden Rabbit Hutch is designed to provide a comfortable and secure living space for small animals such as rabbits, guinea pigs, chinchillas, chickens, and dwarf rabbits. Its robust construction and thoughtful design ensure both the well-being of your pets and ease of maintenance for you.

2. SAFETY GUIDELINES

- Ensure all parts are securely fastened during assembly to prevent collapse or injury.
- Place the hutch on a flat, stable surface to avoid tipping.
- Regularly inspect the hutch for any damage, loose parts, or sharp edges that could harm your pets.
- Keep children and other pets supervised when near the hutch.
- This hutch is designed for small animals. Do not house animals larger than recommended.
- The hutch is intended for outdoor use. Ensure it is placed in a sheltered area to protect against extreme weather conditions.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged.

Item	Description	Quantity
------	-------------	----------

Item	Description	Quantity
Hutch Panels	Pre-drilled wooden panels for walls, floor, and roof	Various
Doors	2 wooden doors, 2 galvanized iron mesh doors	4
Pull-out Trays	Removable waste trays for easy cleaning	2
Roof Panel	Top roof panel with asphalt felt covering	1
Hardware Pack	Screws, bolts, latches, hinges, and other fasteners	1 set

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires a screwdriver. Follow these steps carefully for proper construction.

- 1. Unpack and Identify Parts:** Lay out all components and hardware. Refer to the included diagram (if available in physical manual) to identify each piece.
- 2. Assemble Base Frame:** Connect the bottom side panels and front/back panels to form the base of the hutch. Ensure all connections are secure.
- 3. Install Lower Level Floor:** Insert the floor panel for the lower level into the assembled base.
- 4. Attach Lower Doors:** Secure the two lower doors (one wooden, one mesh) to the front of the lower level using the provided hinges and latches.
- 5. Install Lower Pull-out Tray:** Slide one of the waste trays into the lower compartment.
- 6. Assemble Upper Level Frame:** Construct the upper level frame, similar to the base, ensuring the partition for the semi-enclosed area is correctly placed.
- 7. Attach Upper Doors:** Secure the two upper doors (one wooden, one mesh) to the front of the upper level.
- 8. Install Upper Pull-out Tray:** Slide the second waste tray into the upper compartment.
- 9. Attach Roof:** Secure the asphalt felt roof panel to the top of the hutch using hinges, allowing it to open for access.
- 10. Final Checks:** Ensure all screws are tightened, doors open and close smoothly, and latches function correctly.

5. USAGE INSTRUCTIONS

5.1 Housing Your Pets

- The two-story design allows for separation or provides ample space for one or two small animals.
- The semi-enclosed section offers a private, sheltered area for rest and privacy.
- The open mesh section provides ventilation and a view for your pets.

5.2 Accessing the Hutch

- Use the four front doors (two wooden, two mesh) to access different sections of the hutch for feeding, interaction, or general inspection.
- The top roof can be opened for full access to the upper level, useful for deep cleaning or placing larger items inside.

Image 5.1: Detail of the secure latch mechanism on the hutch door.

6. CARE AND MAINTENANCE

6.1 Cleaning

- **Daily Cleaning:** Remove waste and soiled bedding from the pull-out trays.
- **Weekly Cleaning:** Fully remove and clean the pull-out trays with pet-safe disinfectant and water. Allow to dry completely before reinserting.
- **Deep Cleaning:** Periodically, remove all bedding and accessories. Wipe down all interior surfaces of the hutch with a pet-safe cleaner. The opening roof facilitates access for thorough cleaning.

6.2 Material Care

- The hutch is made from varnished fir wood and features an asphalt felt roof for weather resistance.
- To prolong the life of the hutch, consider applying a non-toxic, pet-safe wood sealant annually, especially if exposed to harsh weather.
- Ensure the hutch is placed in an area with good drainage to prevent moisture accumulation around the base. The raised design helps resist humidity.

7. TROUBLESHOOTING

- **Difficulty with Assembly:** If screw holes do not align perfectly, gently adjust panels or use a power drill on a low setting to create pilot holes if necessary. Do not force components.
- **Doors Sticking:** Check hinges for proper alignment. Ensure no debris is obstructing the door's path. Apply a small amount of silicone spray to hinges if needed.
- **Water Leakage:** Verify that the asphalt felt roof is properly installed and free of tears. Ensure the hutch is not placed in an area where water can pool around its base.
- **Unstable Structure:** Re-check all screw connections. Ensure the hutch is on a level surface.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	D51-0690531

Feature	Detail
Overall Dimensions (L x W x H)	90 cm x 45 cm x 90 cm (35.4 in x 17.7 in x 35.4 in)
Product Weight	13 Kilograms (28.7 lbs)
