Cascade Platinum Dishwasher Pods, Fresh Scent, 62 Count Instruction Manual

INTRODUCTION

The Cascade Platinum Dishwasher Pods are designed to provide a complete clean for your dishes. Each ActionPac is formulated with the grease-fighting power of Dawn, effectively tackling even 24-hour stuck-on messes. This product aims to deliver sparkling clean dishes with minimal effort.

SAFETY INFORMATION

CAUTION: IRRITANT. HARMFUL IF SWALLOWED OR PUT IN MOUTH. MAY IRRITATE EYES OR SKIN. KEEP OUT OF REACH OF CHILDREN.

FIRST AID TREATMENT: Contains sodium carbonate, nonionic surfactants, and enzymes. If swallowed, give a glassful of water and call a Poison Control Center or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water.

SETUP AND OPERATING INSTRUCTIONS

Follow these simple steps for optimal cleaning results:

1. **Add 1 Actionpac for 1 load:** Use one Cascade Platinum ActionPac per dishwasher load. Do not unwrap, puncture, or pull apart stuck together pacs.
2. **Load the Actionpac:** Place one pac in the main dispenser and close the dispenser door.
3. **Load Dishes:** Scrape off large food particles from dishes before loading. No pre-rinsing is necessary. Load dishes according to your dishwasher's recommendations for best water circulation.
4. **Start Dishwasher:** Select your desired wash cycle and start the dishwasher.

NO PREMEASURING **NO MESS**

BENEFITS AND FEATURES

- **Water Saving:** Running the dishwasher daily saves water. ENERGY STAR certified dishwashers use less than 4 gallons per cycle, while running the tap for 11 minutes while handwashing uses up to 24 gallons of water.
- **Grease-Fighting Formula:** ActionPacs are formulated with the powerful grease-fighting action of Dawn dish soap.
- **Sparkling Silverware:** Designed to leave your silverware and all dishes sparkling clean and virtually spot-free.
- **Highly Recommended Brand:** More dishwasher brands in North America recommend Cascade compared to any other automatic dishwashing detergent brand, based on co-marketing agreements.

THE POWER OF PLATINUM

**CLEANS
BURNT-ON
MESSSES**

**DEGREASES

MAINTENANCE

To maintain the quality and effectiveness of your Cascade Platinum ActionPacs, always ensure the tub is securely closed after each use. Store in a cool, dry place away from moisture to prevent pacs from sticking together or dissolving prematurely.

TROUBLESHOOTING

Dishes Not Clean or Spots Remaining

- Ensure the dishwasher is loaded correctly, allowing water to reach all surfaces.
- Verify that the water temperature is adequate for effective cleaning.
- Check that the detergent dispenser is not blocked by dishes or other items, allowing the ActionPac to release properly.
- For heavily soiled dishes, ensure proper scraping of large food particles before loading.

ActionPacs Sticking Together

- Store the tub in a cool, dry environment.
- Always handle ActionPacs with dry hands.
- If pacs are stuck, gently pull them apart. Do not force or puncture.

SPECIFICATIONS
