Setup Instructions

Your ZINUS mattress is expertly compressed and rolled into one box for convenient shipping and handling. Follow these steps to set up your new mattress:

1. **Bring to Bedroom:** Carefully transport the boxed mattress to the desired room before opening.
2. **Unbox:** Open the box and remove the rolled mattress. Avoid using sharp objects that could damage the mattress.
3. **Unroll:** Place the rolled mattress on your bed frame or foundation. Unroll the compressed mattress.
4. **Cut Plastic:** Carefully cut one side of the clear plastic wrapping. The mattress will begin to decompress.

5. **Remove Plastic:** Pull away the remaining clear plastic wrapper.
6. **Allow to Expand:** Allow 24 to 72 hours for your mattress to fully regain its shape. Expansion time may vary based on room temperature. Warmer rooms generally allow for faster expansion.

You may sleep on the mattress during the decompression period; this will not affect the recovery process.

Features and Benefits

The ZINUS 10 Inch Green Tea Cooling Gel Memory Foam Mattress is designed for enhanced comfort and support:

- **Cooling Comfort:** Features ultra-cooling gel and green tea infused memory foam to help regulate body temperature for a cooler sleep experience.
- **Pressure Relief:** Skillfully engineered memory and comfort foams conform to your body's shape, soothing achy joints and providing customized support.
- **Odor Control:** Antioxidant-rich green tea and natural charcoal in the foam layers work to push out odor-causing agents, maintaining freshness.
- **Durable Support:** A high-density base support foam ensures long-lasting structure and dependability.
- **Soft Cover:** Wrapped in a soft poly jacquard cover for a comfortable surface.

Mattress Layer Composition:

CertiPUR-US Certified Foam:

The foam used in this mattress is CertiPUR-US Certified, meaning it meets rigorous standards for content, emissions, and durability. It is made without ozone depleters, PBDE flame retardants, mercury, lead, other heavy metals, formaldehyde, or phthalates regulated by the Consumer Product Safety Commission.

Why choose CertiPUR-US® certified foam?

- Better for the atmosphere**
No ozone depleters
Low VOC emissions
- Better for air quality**
No formaldehyde
- Better for the environment**
No PBDE flame retardants
- Better for human health**
No phthalates, heavy metals, or "tris" flame retardants

Care and Maintenance

- **Spot Clean Only:** For spills or stains, spot clean the mattress cover with a mild detergent and water. Do not machine wash or dry the cover.
- **Cover Removal Warning:** Removal of the mattress cover may expose the fire barrier and glass fiber. Always follow care instructions on the law tags.
- **Ventilation:** Ensure adequate ventilation in the room, especially during the initial decompression period, to dissipate any new mattress odors.
