Badabulle Cloud Night Light

Badabulle Cloud Night Light Instruction Manual

Model: Cloud Night Light

INTRODUCTION

Thank you for choosing the Badabulle Cloud Night Light. This device is designed to provide a soothing environment for your baby with gentle lights and melodies. Please read this manual carefully before use to ensure proper operation and maintenance.

SAFETY INFORMATION

- Keep out of reach of children when not in use or when batteries are being changed.
- Do not immerse the device in water or other liquids.
- Use only the specified battery type (3xAAA).
- Dispose of batteries responsibly according to local regulations.
- Do not attempt to disassemble or repair the device yourself.

SETUP

1. Battery Installation

1. Locate the battery compartment on the back of the Cloud Night Light.
2. Using a small screwdriver, open the battery compartment cover.
3. Insert 3 AAA batteries, ensuring correct polarity (+/-).
4. Close the battery compartment cover and secure it with the screw.

2. Attaching the Night Light

The Cloud Night Light features a convenient Velcro fastener for versatile attachment.

- **Crib Attachment:** Use the Velcro strap to securely fasten the night light to a crib rail.
- **Car Seat Attachment:** The strap can also be used to attach the night light to a car seat headrest for travel.
- **Other Surfaces:** Attach to other suitable surfaces where a soothing light and sound are desired.

OPERATING INSTRUCTIONS

The Badabulle Cloud Night Light offers various light and sound functions to comfort your baby.

Image: The Badabulle Cloud Night Light with icons illustrating its features: Velcro attachment, 15 melodies, 30-minute music auto-stop, 6 light colors, 30-minute light auto-stop, and requiring 3 AAA batteries.

Power On/Off

Press the power button located on the back of the device to turn the night light on or off.

Light Functions

- The night light features **6 different light colours**.
- Press the light button (usually indicated by a light bulb icon) to cycle through the available colours or to select a continuous light mode.

- The light function can be set to operate continuously or to **automatically shut off after 30 minutes**.

Image: The Badabulle Cloud Night Light shown with six different light colors (purple, blue, green, yellow, orange, pink) illustrating its multi-color light feature.

Melody Functions

- The night light includes **15 different tunes**, including lullabies, nature sounds, and heartbeats.
- Press the music button (usually indicated by a music note icon) to cycle through the melodies.
- The music function will **automatically stop after 30 minutes** to conserve battery life and ensure a peaceful sleep environment.

MAINTENANCE

Cleaning

- Wipe the surface of the night light with a soft, damp cloth.
- Do not use abrasive cleaners or solvents.
- Ensure the device is completely dry before re-use.

Battery Replacement

When the light dims or the sound quality deteriorates, it is time to replace the batteries. Follow the battery installation steps outlined in the "Setup" section.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Batteries are dead or incorrectly inserted.	Replace batteries or check polarity.
Light is dim or flickers.	Low battery power.	Replace batteries.
No sound or distorted sound.	Low battery power or speaker obstruction.	Replace batteries. Ensure speaker grille is clear.
Automatic shut-off not working.	This feature is automatic for both light and music after 30 minutes. No user intervention is required to activate it.	Ensure the device is functioning correctly otherwise. If issues persist, contact support.
