PageFlip PFDRAGONFLY01

PageFlip Dragonfly Bluetooth Page Turner Pedal - User Manual

1. INTRODUCTION

The PageFlip Dragonfly Bluetooth Page Turner Pedal provides hands-free control for musicians, teachers, and speakers using digital sheet music and other applications on compatible devices. This manual outlines the features, setup, operation, and specifications of your device to ensure optimal performance.

2. WHAT'S IN THE BOX

Upon unboxing your PageFlip Dragonfly, please ensure all components are present:

- PageFlip Dragonfly Bluetooth Page Turner Pedal
- USB Cable (for charging)
- Quickstart Guide
- 1-Year Warranty Information

3. SETUP

3.1. Powering the Device

The PageFlip Dragonfly can be powered by two AA batteries (providing up to one year of use) or via the included USB-C

cable. The device features an auto-sleep mode after 30 minutes of inactivity to conserve power, waking instantly with a tap.

5 Programmable Pedal Modes

Assign up to 4 commands for complete hands-free control.

Volume Control

Next Song / Setlist

Page Turn

Play / Pause

Mode button: Tap to Switch. Reprogram with Free PageFlip App (Mac/Windows).

3.2. Bluetooth Pairing

To connect your PageFlip Dragonfly to your device (iPad, Android, or PC), follow these steps:

1. Ensure the pedal is charged or has fresh batteries.
2. Turn on the pedal using the 'Power' switch. The LED indicator will begin to flash, indicating it's in pairing mode.
3. On your device, navigate to the Bluetooth settings.
4. Locate 'PageFlip Dragonfly' in the list of available devices and select it to pair.
5. Once paired, the LED indicator on the pedal will show a steady light, confirming the connection.

For a visual guide on pairing and using the pedal with music applications, refer to the video below:

Video: Demonstrates how to pair the PageFlip Dragonfly pedal and use it with the OnSong app for hands-free page turning.

4. OPERATING MODES

The PageFlip Dragonfly features 4 pedals and 5 reprogrammable modes, allowing for versatile control across various applications. The modes can be switched by pressing the 'Mode' button on the pedal's control panel.

Why Musicians Trust PageFlip

- ✓ 4 built-in pedals for full control
- ✓ 5 customizable pedal modes
- ✓ Turn pages, control audio, navigate setlists
- ✓ iPad, Android, Mac, PC, Linux
- ✓ Bluetooth & USB-C
- ✓ Backlit for dark environments
- ✓ Piano-style layout for intuitive use
- ✓ Reliable control with no interruptions

OTHERS

- ✗ Only 1–2 pedals available
- ✗ Fixed or limited functions
- ✗ Page turning only
- ✗ Often iOS-only or app-limited
- ✗ Bluetooth only
- ✗ No visibility in low light
- ✗ Basic side-by-side pedals
- ✗ Limited flexibility and higher risk on stage

5. USAGE WITH APPLICATIONS

The PageFlip Dragonfly is compatible with over 100 music applications, including popular choices like forScore, OnSong, and MobileSheets. Its versatile design allows it to function as a USB foot pedal or a Bluetooth foot switch, adapting to your workflow.

Four Pedals. Full Control. No Hands Needed.

Bluetooth or USB-C. Works with iOS,
Android, Mac, PC & more.

Works with Over 100 Apps

forScore, MobileSheets, Newzik, OnSong, and more.

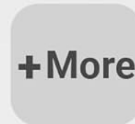

Image: The PageFlip Dragonfly pedal in action, demonstrating its four-pedal control for hands-free operation with an iPad, compatible with numerous music apps.

6. POWER MANAGEMENT

The pedal operates on 2 AA batteries, offering up to a year of power, or can be powered via USB-C. It features a 30-minute auto-sleep mode to conserve battery life and wakes instantly with a tap. A low battery alert ensures you are aware when charging is needed.

7. SPECIFICATIONS

Item Model Number	PFDRAGONFLY01

Batteries	2 AA batteries required (Alkaline)
Compatible Devices	Android, iPad (iOS), PC, Mac, Linux
Connectivity Technology	Bluetooth, USB
Hardware Interface	USB
Supported Software	ForScore, unrealBook, Deepdish Gigbook, and 100+ music apps
Material Type	Metal, Plastic
Number of Keys	4
Special Feature	Backlit, Velocity Sensitive Key

8. TROUBLESHOOTING

If you encounter issues with your PageFlip Dragonfly, consider the following:

- **Connection Issues:** Ensure Bluetooth is enabled on your device and the pedal is in pairing mode. Try restarting both the pedal and your device.
- **Functionality:** Verify that the correct operating mode is selected on the pedal for your specific application. Different apps may respond to different modes (e.g., Page Up/Down vs. Left/Right Arrow keys).
- **Battery:** Check the battery level. Replace batteries or charge via USB-C if low.

9. WARRANTY & SUPPORT

The PageFlip Dragonfly comes with a 1-year warranty, providing peace of mind for your purchase. For technical support, warranty claims, or further assistance, please refer to the contact information provided in your product packaging or visit the official PageFlip website.
