# Mia Graphite Cushion Chest Set Instruction Manual

Brand: Keter

## PRODUCT OVERVIEW

The Keter Mia Graphite Cushion Chest Set is a versatile outdoor lounge furniture solution designed for comfort and convenience. This set includes two comfortable armchairs, a spacious two-seater sofa with an ergonomic backrest, and a functional table that doubles as a storage chest. Crafted from high-quality, UV-resistant, and weather-resistant polypropylene, this set is built for durability and easy maintenance in outdoor environments. The natural open rattan look adds a touch of elegance to any patio or garden space.

## SAFETY WARNINGS

**Important:** Please read and understand all safety warnings before assembly and use of the product.

- **Proper Assembly:** Ensure all components are correctly assembled according to the instructions to guarantee the stability and safety of the furniture. Improper assembly can lead to instability and potential injury.
- **Children Safety:** Keep children away from the assembly process. Small parts and tools can pose a choking hazard or

cause injury.

- **Weight Limits:** Do not exceed the recommended weight limits for the sofa, armchairs, or table. Overloading can cause damage to the furniture and lead to accidents.
- **Outdoor Use:** This product is designed for outdoor use. While weather-resistant, extreme weather conditions may require additional protection or storage.
- **Sharp Objects:** Avoid placing sharp or heavy objects on the furniture that could scratch, dent, or damage the surface.

## SETUP AND ASSEMBLY

---

The Mia Graphite Cushion Chest Set requires assembly. While the assembly process is straightforward, it may require a moderate amount of effort. All necessary screws and an Allen key are typically provided within the packaging.

### Before You Begin:

- Unpack all components and verify that all parts are present against the packing list (if provided).
- Clear a spacious, flat, and clean area for assembly.
- Keep children and pets away from the assembly area.

### General Assembly Steps:

1. **Assemble the Armchairs:** Attach the backrests and armrests to the seat bases using the provided screws. Ensure all connections are secure but do not overtighten until all parts are aligned.
2. **Assemble the Sofa:** Similar to the armchairs, connect the backrest and armrests to the sofa seat base.
3. **Assemble the Table:** Construct the table base and attach the top panel. The table is designed with an internal storage compartment.
4. **Final Tightening:** Once all furniture pieces are fully assembled and aligned, carefully tighten all screws to ensure maximum stability.
5. **Place Cushions:** Position the comfortable polycotton seat cushions onto the armchairs and sofa.

## OPERATING AND USAGE

---

The Mia Graphite Cushion Chest Set is designed for comfortable outdoor lounging and practical storage.

- **Seating:** The set provides seating for up to four people, with two individual armchairs and a two-seater sofa. The ergonomic backrests are designed for enhanced comfort.
- **Cushion Storage:** The central table features a convenient storage compartment. This is ideal for storing the seat cushions when not in use, protecting them from dust, dirt, and light rain.

## MAINTENANCE

---

To ensure the longevity and appearance of your Mia Graphite Cushion Chest Set, follow these simple maintenance guidelines:

- **Cleaning:** Clean the polypropylene frames with a soft cloth, mild soap, and water. Avoid abrasive cleaners or harsh chemicals, as these can damage the material. Rinse thoroughly with clean water.
- **Cushions:** The polycotton cushions should be spot cleaned with a mild detergent and water. Allow them to air dry completely before storing. For prolonged periods of non-use or during heavy rain, store cushions in the table's storage compartment or indoors.
- **Weather Protection:** Although the set is UV and weather-resistant, prolonged exposure to extreme weather conditions (e.g., heavy snow, strong winds, intense sun) can affect its lifespan. Consider using a furniture cover or storing the set in a sheltered area during off-season or severe weather.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.

## TROUBLESHOOTING

---

This section addresses common issues you might encounter with your Mia Graphite Cushion Chest Set.

- **Instability after Assembly:**

*Issue:* Furniture wobbles or feels unstable.

*Solution:* Ensure all screws are fully tightened. Sometimes, screws are not tightened enough during initial assembly. Loosen all screws slightly, gently rock the furniture to settle it, then retighten all screws firmly and evenly.

- **Difficulty with Assembly:**

*Issue:* Parts do not align or fit together easily.

*Solution:* Double-check the instruction manual to ensure you are following the correct steps for each component. Do not force parts together. Sometimes, rotating a piece 180 degrees can resolve alignment issues. Ensure no packaging material is obstructing connections.

- **Cushions Getting Wet in Table Storage:**

*Issue:* Cushions stored in the table chest are damp after rain.

*Solution:* While the table offers protection, it is not entirely waterproof. For heavy rain or prolonged wet periods, it is recommended to store cushions indoors or in a fully waterproof container. Ensure the table lid is properly closed and sealed.
