Relaxdays 3-Tier Bamboo Folding Plant Stand Instruction Manual

Model: 10020271

1. INTRODUCTION

Thank you for choosing the Relaxdays 3-Tier Bamboo Folding Plant Stand. This manual provides essential information for the safe and proper assembly, use, and maintenance of your new plant stand. Please read these instructions carefully before use and retain them for future reference.

This versatile plant stand is designed to display your plants, flowers, or decorative items. Its bamboo construction offers durability and a natural aesthetic. The folding design allows for convenient storage when not in use.

2. PACKAGE CONTENTS

Before assembly, ensure all parts are present and undamaged. The package should contain:

- Numbered bamboo components for the plant stand.
- Assembly hardware (screws, Allen key).
- Instruction manual (this document).

Note: Decorative items and plants shown in product images are not included.

3. ASSEMBLY INSTRUCTIONS

Assembly of the Relaxdays 3-Tier Bamboo Folding Plant Stand is straightforward. Follow these steps:

1. Unpack all components and lay them out on a clean, flat surface.

2. Identify the main frame pieces and the three shelf panels.
3. Attach the shelves to the main frame using the provided screws. Ensure the shelves are oriented correctly, with the slatted surface facing upwards.
4. Tighten all screws securely, but do not overtighten to avoid damaging the bamboo.

Image 3.1: Detail of a screw joint, illustrating the assembly point for the bamboo components.

If you encounter difficulties, refer to the included German instruction sheet for diagrams. It is recommended to assemble the stand with another person for ease and stability.

4. OPERATING INSTRUCTIONS

4.1 Unfolding the Plant Stand

To unfold the plant stand for use:

1. Gently pull the two main frame sides apart until the shelves can be lowered into their horizontal position.
2. Ensure each shelf is fully extended and rests securely on its supports.

3. The stand is designed to be stable when fully unfolded.

4.2 Folding the Plant Stand for Storage

To fold the plant stand for compact storage:

1. Remove all items from the shelves.
2. Lift each shelf upwards until it disengages from its horizontal support.
3. Push the two main frame sides together until the stand is flat.
4. Store in a dry place.

4.3 Placement and Usage

This plant stand is suitable for indoor use. It can also be used on a balcony or terrace, but it is recommended to bring it indoors overnight or during inclement weather to protect the bamboo from moisture and prolong its lifespan.

Each shelf has a maximum load capacity of 10 kg (22 lbs). Do not exceed this weight limit to prevent damage or

instability.

5. MAINTENANCE

To ensure the longevity and appearance of your bamboo plant stand, follow these maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the bamboo's finish.
- **Drying:** After cleaning, dry the stand thoroughly to prevent water spots or moisture absorption.
- **Protection:** For outdoor use, protect the stand from prolonged exposure to rain, direct sunlight, and extreme temperatures. Bringing it indoors during adverse weather is highly recommended.
- **Inspection:** Periodically check all screws and joints to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

- **Stand is wobbly:**
 - Ensure all screws are tightened securely.
 - Verify that the stand is placed on a flat, even surface.
 - Check that the shelves are fully extended and properly seated in their supports.
- **Difficulty folding/unfolding:**
 - Ensure no items are on the shelves before attempting to fold.
 - Gently manipulate the frame, ensuring no parts are jammed.

7. SPECIFICATIONS

Feature	Detail
Model Number	10020271
Material	Bamboo
Color	Nature
Unfolded Dimensions (H x W x D)	99 x 45 x 32 cm (39 x 17.7 x 12.6 inches)
Folded Dimensions (H x W x D)	103 x 45 x 11 cm (40.5 x 17.7 x 4.3 inches)
Weight	2.4 kg (5.3 lbs)
Maximum Load Capacity per Shelf	10 kg (22 lbs)
Total Maximum Load Capacity	30 kg (66 lbs)
