User Manual

BEST CHOICE PRODUCTS 61-KEY BEGINNERS ELECTRONIC KEYBOARD PIANO SET

Model: SKY3160

Introduction

This manual provides essential information for the setup, operation, and maintenance of your Best Choice Products 61-Key Electronic Keyboard Piano Set. Designed for beginners, this keyboard offers a comprehensive learning experience with various features to enhance your musical journey.

The Best Choice Products 61-Key Electronic Keyboard Piano Set, including the keyboard, adjustable H-style stand, and padded stool.

What's Included

Your package should contain the following components:

- Electronic Keyboard (61-Key)
- AC Adapter (9V)
- H-Style Keyboard Stand
- Music Stand
- Padded Stool

- Headphones

WHAT'S INCLUDED

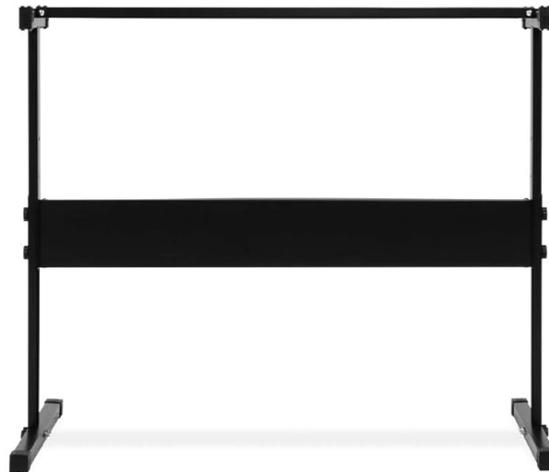

x1 Keyboard

x1 Headphone

x1 Holder

x1 Stand

x1 Chair

All components included in the keyboard set: keyboard, headphones, music holder, stand, and stool.

Setup

1. **Assemble the H-Style Keyboard Stand:** Follow the instructions provided with the hardware to assemble the adjustable H-style keyboard stand. Ensure all connections are secure.
2. **Place the Keyboard:** Carefully place the 61-key electronic keyboard onto the assembled stand. Ensure it is stable and centered.
3. **Assemble the Padded Stool:** Assemble the padded stool according to its instructions. Adjust its height for comfortable playing posture.
4. **Attach the Music Stand:** Insert the music stand into the designated slot on the keyboard.
5. **Power Connection:** Connect the 9V AC adapter to the keyboard's power input and then to a standard electrical outlet. Alternatively, for portable use, insert 6 AA batteries (not included) into the battery compartment located at the back of the keyboard.
6. **Headphones Connection:** If desired, plug the included headphones into the 3.5mm headphone jack on the keyboard.

Ensure all connections are firm before powering on the device.

Operating Instructions

Basic Functions

- **Power On/Off:** Use the dedicated power button to turn the keyboard on or off.
- **Volume Control:** Adjust the master volume using the designated controls to suit your environment.
- **Timbre Selection:** Explore 255 different timbres (instrument sounds) to vary your musical expression. Refer to the keyboard's panel for timbre codes.
- **Rhythm Selection:** Choose from 255 rhythms to accompany your playing.
- **Demo Songs:** Play through 50 built-in demo songs for inspiration or practice.
- **Percussion Sounds:** Access 8 types of keyboard percussion sounds.
- **LCD Display:** The LED screen provides visual feedback on selected functions, modes, and settings.

CUSTOMIZE YOUR SOUND

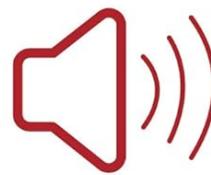

Create your own full masterpiece when you mix timbres and rhythms or explore the keyboard percussion sounds

Sounds

The control panel allows selection of various timbres, rhythms, and percussion sounds.

Teaching Modes

The keyboard features three teaching modes to assist beginners:

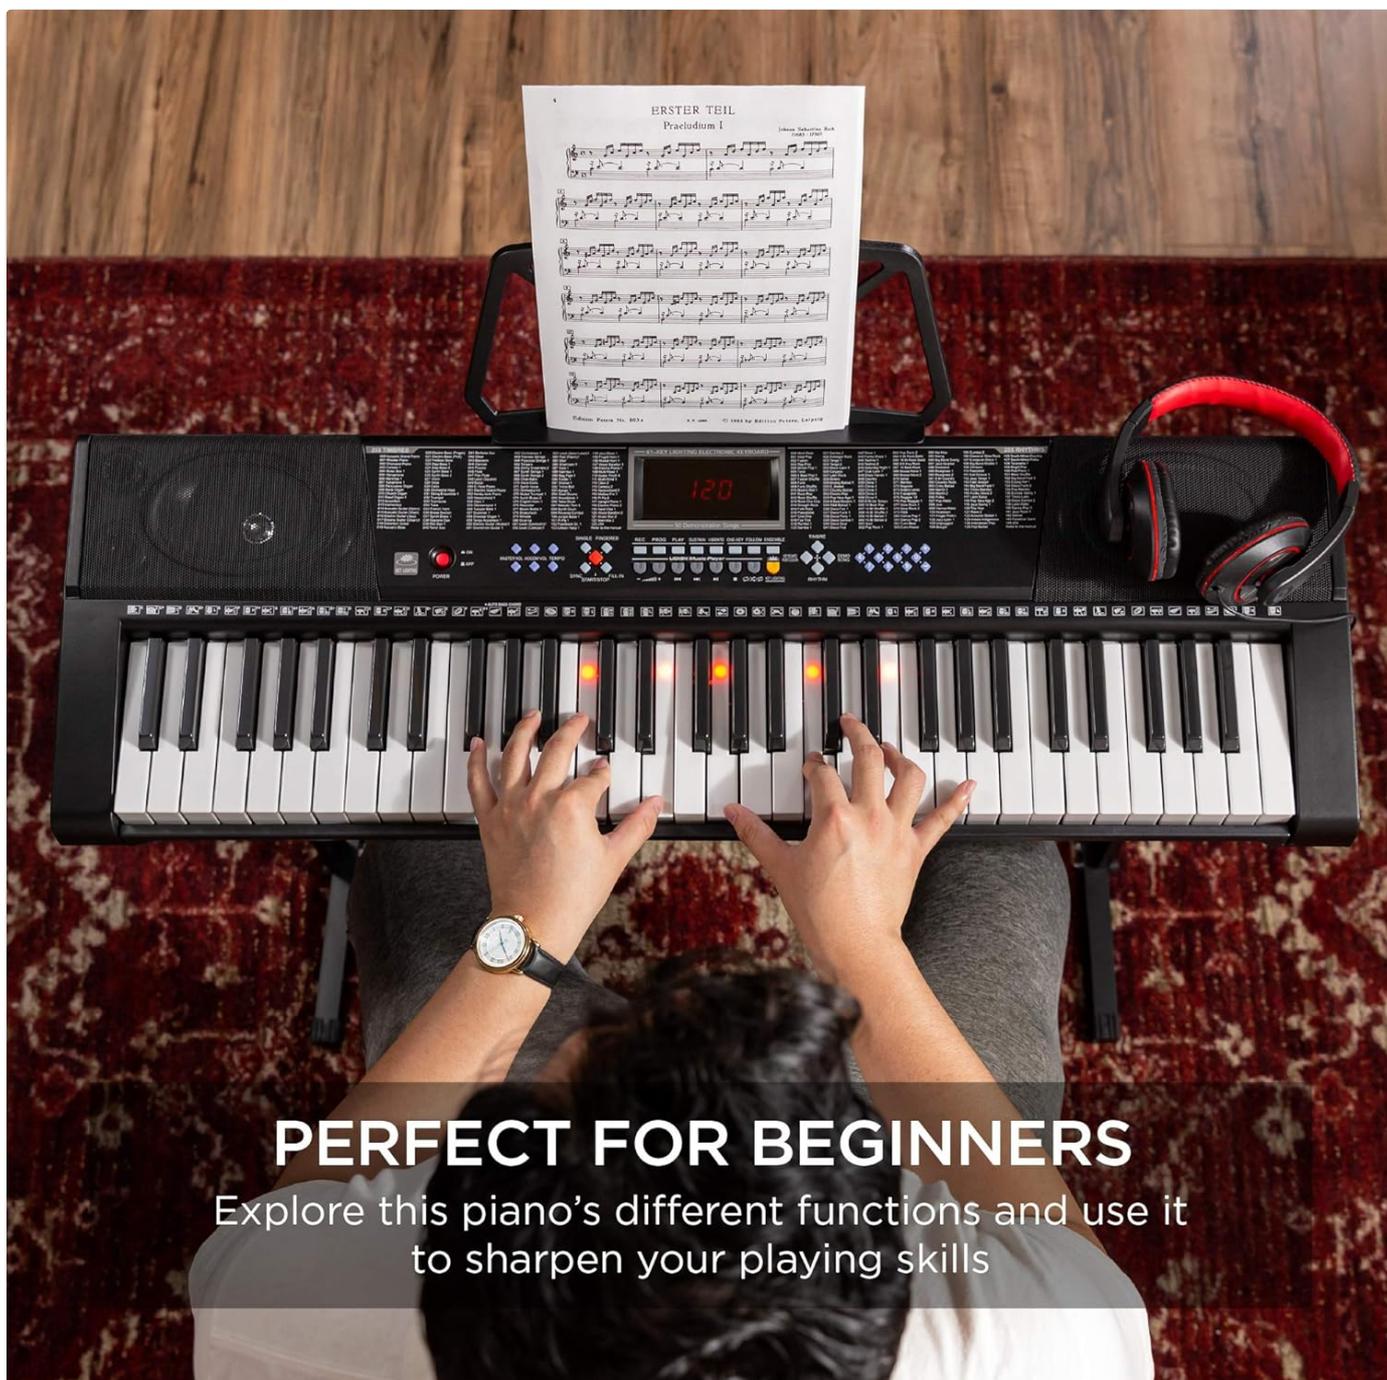

- **One-Key Mode:** Allows you to play along with a demo song by pressing any key, focusing on rhythm and timing.
- **Follow Mode:** Guides you by lighting up the correct keys for a demo song, waiting for you to press the right key before proceeding.
- **Ensemble Mode:** Plays the melody of a demo song while you play the accompaniment, helping you learn to play along with a full piece.

LEARN BY PLAYING

Follow along as keys light up in teaching mode and play your way to proficiency!

The keyboard's lighted keys assist in learning and practicing songs.

PERFECT FOR BEGINNERS

Explore this piano's different functions and use it to sharpen your playing skills

The keyboard is ideal for beginners to explore different functions and sharpen playing skills.

Recording and Playback

The built-in recorder allows you to record your performances and play them back. This feature is useful for self-assessment and tracking progress.

Connectivity

- **Headphone Jack:** Use the 3.5mm headphone jack for private practice.
- **USB Connectivity:** The keyboard supports USB connectivity for potential future expansions or connections to other devices (refer to specific software/device requirements).

HEADPHONES INCLUDED

Wear them to cancel surrounding distractions when you need that extra focus

Padded Speakers

The included headphones feature padded speakers for comfortable and private practice.

Maintenance

- **Cleaning:** Wipe the keyboard and accessories with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the keyboard in a dry, cool place away from direct sunlight and extreme temperatures.
- **Battery Care:** If using batteries, remove them if the keyboard will not be used for an extended period to prevent leakage.
- **Handling:** Handle the keyboard and its components with care to avoid damage.

Troubleshooting

Problem	Possible Cause	Solution
Keyboard does not power on.	No power connection or dead batteries.	Ensure AC adapter is securely plugged in, or replace batteries.
No sound from speakers.	Volume too low, headphones plugged in, or speaker issue.	Increase volume, unplug headphones, or contact support if problem persists.
Keys not lighting up in teaching mode.	Incorrect teaching mode selected or feature disabled.	Verify the teaching mode (e.g., Follow Mode) is active and the light-up key feature is enabled.

If you encounter issues not listed here, please refer to the support section for further assistance.
