## Asmodee UNL01

# UNLOCK! Escape Adventures Card Game Instruction Manual

Model: UNL01

## INTRODUCTION

The UNLOCK! Escape Adventures card game offers an immersive escape room experience for 1 to 6 players, aged 10 and up. Each adventure is designed to be completed within approximately 60 minutes. This cooperative game challenges players to work together, searching for clues, combining objects, and solving puzzles using a deck of cards and a free companion application.

This edition includes three distinct scenarios: "The Island of Doctor Goorse," "The Formula," and "Squeek & Sausage," each presenting unique challenges and narratives. A 10-card tutorial is also included to help new players quickly understand the game mechanics.

## SETUP

1. **Download the UNLOCK! Companion App:** The game requires a free companion application to be downloaded on a smartphone or tablet. Search for "UNLOCK!" in your device's app store (available on [Apple App Store](#) and [Google Play Store](#)). The app manages the timer, provides hints, and verifies codes. No internet connection is required during gameplay once downloaded.
2. **Prepare the Tutorial:** Locate the 10-card tutorial deck. This deck is designed to introduce you to the game's rules and mechanics without spoiling any of the main adventures. It is recommended to play through the tutorial first.
3. **Select an Adventure:** Choose one of the three adventure decks. **Do not look through the cards before starting to play.** Only reveal cards as instructed by the game or the app.
4. **Gather Players:** The game is designed for 1 to 6 players. Ensure everyone can comfortably see the cards and participate in discussions.

## OPERATING INSTRUCTIONS (HOW TO PLAY)

The objective of UNLOCK! is to solve a series of puzzles and escape the scenario within the 60-minute time limit. The game is played by interacting with numbered cards and the companion app.

### Core Gameplay Loop:

- 1. Search the Scenes:** Each card represents a location, object, or puzzle. Examine the cards carefully for hidden numbers or symbols.
- 2. Combine Objects:** Players can combine certain cards by adding their numbers together. For example, if you have card 11 (a key) and card 23 (a locked door), you might combine them to form card 34 (the unlocked door). The app will verify if the combination is valid.

3. **Solve Puzzles:** Some cards present riddles or challenges that require logical deduction, observation, or interaction with the companion app. Enter solutions into the app to progress.

## Using the Companion App:

- **Timer:** The app keeps track of the 60-minute time limit for each adventure.
- **Hints:** If your team gets stuck, the app can provide hints to guide you.
- **Code Verification:** Enter numerical or symbolic codes into the app to unlock new cards or progress the story. Incorrect entries may result in time penalties.
- **Machines:** Some puzzles involve "machines" within the app, requiring specific interactions or inputs.

## MAINTENANCE

---

To ensure the longevity of your UNLOCK! Escape Adventures game, follow these simple maintenance guidelines:

- Store cards in their original box in a cool, dry place away from direct sunlight.
- Handle cards with clean, dry hands to prevent damage and wear.
- Avoid bending or creasing the cards.

## TROUBLESHOOTING

---

If you encounter any issues while playing UNLOCK!, consider the following:

- **Stuck on a Puzzle:** Utilize the hint system within the UNLOCK! companion app. Hints are designed to guide you without giving away the full solution immediately.
- **App Malfunction:** If the companion app is not responding or behaving unexpectedly, try restarting the app or your device. Ensure your device meets the minimum system requirements for the app.
- **Missing Components:** If any game components are missing or damaged upon opening the box, please contact Asmodee customer support for assistance.
- **Difficulty Adjustment:** If a scenario feels too difficult, remember that the game offers varying difficulty levels. Consider trying a lower difficulty scenario first to familiarize yourself with the mechanics.
